You can use this SMM along with the 2014 Eighth District Electrical Benefit Fund Summary Plan Description (SPD)/Plan Rules and Regulations ("the Plan") and its amendments thereto to get a more complete understanding of the plan of benefits offered by the Trustees and any changes to the Plan over time.

SUMMARY OF MODIFICATIONS TO THE REGULAR PLAN

The Board of Trustees has made changes to the Plan to provide a Medicare Advantage Plan with Part D coverage for Retirees eligible for Medicare.

Effective January 1, 2020, Retirees eligible for Medicare and Dependents of Retirees who are eligible for Medicare will be enrolled in a Medicare Advantage Plan with Part D coverage (MA-PD Plan) insured through UnitedHealthcare instead of the Eighth District Electrical Benefit Fund Medical Plan for Retirees. Please see the attached benefit information and MA-PD Plan FAQs for more information

In order to be eligible in the MA-PD Plan, **all Medicare-eligible Retirees and Medicare-eligible Dependents must enroll in Medicare Parts A and B.** In addition, if a Medicare-eligible Retiree or a Medicare-eligible Dependent does not enroll in the MA-PD Plan, **coverage under the Eighth District Electrical Benefit Fund will not be available.**

Payments will continue to be collected by the Administrative Office. Any questions regarding MA-PD Plan benefits should be directed to Labor First at (877) 969-2119. Questions about pre-service and post-service benefit claims and appeals should be directed to UnitedHealthcare at (844) 481-8820 (TTY 711), or in writing at PO Box 31362, Salt Lake City, UT 84131-0362.

Please keep this SMM with your Summary Plan Description (SPD)/Plan Rules and Regulations for easy reference to all Plan provisions. If you have any questions regarding this notice or any other benefits covered by the Plan, you can contact the Administrative Office at (844) 989-2321.

Sincerely,
Board of Trustees

PLAN QUESTIONS:

1. What is changing?

Beginning January 1, 2020, Medicare eligible Retirees and Medicare eligible dependents who previously obtained retiree health coverage from the Eighth District Electrical Benefit Fund Plan ("Eighth District Plan") will instead be transferred to a Medicare Advantage-Part D Plan that is fully insured by UnitedHealthcare ("UnitedHealthcare Plan"). In order to be eligible for benefits under the UnitedHealthcare Plan, all Medicare eligible Retirees and Medicare eligible dependents must be enrolled in Medicare Parts A and B.

2. Are there any plan differences?

Yes. Benefits under the fully-insured UnitedHealthcare Plan are different from benefits offered under the Eighth District Plan. These differences include several improvements. Some of the improvements include:

- Your Maximum Out of Pocket for medical services has decreased.
 - If you utilize Part A services first you will be responsible for the first \$400.
 - If you utilize your Part B services first you will be responsible for the first \$183 and then have a 20% coinsurance until you meet your \$400 Maximum out of Pocket.
 - You will never pay more than \$400 out of pocket for any Medicare approved services for the year.
- You are no longer tied to a Cigna Preferred Provider Network as previously covered. Any provider that accepts Medicare is a covered provider under this arrangement.

- You are no longer limited to using Walgreens for a 90-day supply and may go to any pharmacy in the UnitedHealthcare Group network. Your prescription coverage is no longer through Express Scripts for this arrangement.
- Non-preferred Brand name drugs have a maximum copay of \$100 at the retail pharmacy.
- Lifestyle medications such as weight loss, hair loss, and erectile dysfunction will now be covered.
- Silver Sneakers Program is now included. This is a health and fitness program designed for adults 65+.
 - Access to 16,000 gyms and fitness locations across the nation
 - You can visit **[silversneakers.com](https://www.silversneakers.com)** to find locations and classes.
 - Includes fitness classes, weight equipment, exercise machines, pools, and more
 - You will receive a Silver Sneakers welcome kit and ID card in February. You may present your UnitedHealthcare ID card or Driver's License in the interim.
- You will have a \$500 hearing aid allowance toward the purchase of hearing aids every 36 months.

3. Do I need to do anything to enroll?

No. All Medicare eligible retirees and/or Medicare eligible dependents will automatically be enrolled into this plan.

4. Can I stay on the current plan?

No. All Medicare eligible retirees and/or Medicare eligible dependents must change over to this plan. Your current plan will no longer be available, effective January 1, 2020.

5. What If my spouse or dependent Is not Medicare Eligible?

They will retain the current benefits under the Eighth District Plan that you previously received until they reach Medicare eligibility themselves.

6. Can I leave the plan and come back?

Under the Eighth District Plan rules, Medicare-eligible Retirees are allowed to transition to an individual Medicare Supplement Plan, Medicare Advantage Plan, and/or a Medicare Part D Plan, with the one-time opportunity to reenroll in coverage from the Eighth District Plan. To be eligible to reenroll in the Eighth District Plan, you may have only left the Plan for one calendar year. In other words, if you leave the Eighth District Plan and would like the opportunity to re-enroll in the Eighth District Plan, you must elect to come back to the Eighth District Plan with an effective date of coverage of January 1st of the year immediately after the calendar year you opted out of coverage. If you do not re-enroll by that time, you will not be eligible for benefits under Eighth District Plan again. To re-enroll, you must provide the Eighth District Plan with proof of credible coverage and pay the applicable premium by the effective date of the coverage.

7. When will I receive my card/ Welcome Kit?

New ID Cards and Welcome Kits should be received by the middle to the end of December. You will see UnitedHealthcare logo on these cards. Members and Medicare eligible dependents will each receive their own card with their own unique ID number. Please note that each enrollee may receive their plan information and cards on different days. This is normal. If your spouse or dependents are not Medicare eligible they will retain the current benefits under the Eighth District Plan that you previously received until they reach Medicare eligibility themselves.

8. What do I do if I lose my card?

Please call Labor First Toll Free at **877.969.2119 (TTY 711)** and we will obtain a new one on your behalf, mail/email/fax you a temporary card, and call your pharmacy and/or providers if needed.

9. How much do I have to pay for the plan?

The Administrative Office of the Eighth District Electrical Benefit Fund (BeneSys Administrators, Inc.) will continue to accept your monthly premiums. They can be reached at **844.989.2321** to answer any premium questions.

10. Who do I call if I need assistance with the plan?
