As a reminder, effective January 1, 2024, the retiree rates are changing.

If you are a Medicare eligible retiree and you have dependents enrolled in the Plan who are not eligible for Medicare, you will be charged an additional \$1,410 a month for your dependents' coverage. This charge will be in addition to the \$470 per month charged to the Medicare eligible retiree, for a total monthly premium of \$1,880. This additional charge will apply regardless of the number of non-Medicare eligible participants you have enrolled in the Plan.

If you are a Medicare eligible retiree and you have dependents enrolled in the Plan who are eligible for Medicare, you will be charged an additional \$250 a month for each of your dependents who are eligible for Medicare. This charge will be in addition to the \$470 per month you currently pay for coverage. This means that if you and your spouse are eligible for Medicare, you will pay a total of \$720 for coverage.

Sincerely,

Alaska Pipe Trades Association - U.A. Local No. 375 Health and Security Trust Fund
