Important Enrollment Information

Abatement Workers 207 National Health & Welfare Plan is enrolling you in the Humana Group Medicare preferred provider organization (PPO) plan. You do not need to do anything to be automatically enrolled in this Medicare health plan. If you do not want to join this plan, you can follow the instructions included below. You must do this before the date set by your benefit administrator. **Enrollment in this plan will cancel your enrollment in a different Medicare Advantage or a Medicare Prescription Drug (Part D) plan. However, if you are currently enrolled in a Medicare Supplement plan, you will have to take action to cancel your enrollment.**

What do I need to know as a member of the Humana Group Medicare PPO plan?

This enrollment packet includes important information about this plan and what it covers, including a Summary of Benefits document. Please review this information carefully.

Once enrolled, you will receive information on how to view or request a copy of an Evidence of Coverage document (also known as a member contract or subscriber agreement) from the Humana Group Medicare PPO plan. Please read the document to learn about the plan's coverage and services. As a member of the Humana Group Medicare PPO plan, you can appeal plan decisions about payment or services if you disagree. Enrollment in this plan is generally for the entire year.

When your Humana Group Medicare PPO plan begins, Humana will cover all medically necessary items and services, even if you get the services out of network. However, your member cost share may be lower if you use in-network providers. "In-network" means that your doctor or provider is on our list of participating providers. "Out-of-network" means that you are using someone who isn't on this list. The exception is for emergency care, out of area dialysis services, or urgently needed services.

You must use network pharmacies to access Humana benefits, except under limited, non-routine circumstances when you can't reasonably use network pharmacies.

You must keep Medicare Parts A and B as the Humana Group Medicare plan is a Medicare Advantage plan. **You must also continue to pay your Part B premium. If you are assessed a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium.** You can enroll in only one Medicare Advantage plan at a time. You must let us know if you think you might be enrolled in a different Medicare Advantage plan or a Medicare prescription drug plan and inform us of any prescription drug coverage that you may get in the future.

What happens if I don't join the Humana Group Medicare PPO plan?

You aren't required to be enrolled in this plan. If you do not wish to enroll in the Humana Plan please contact BeneSys at 248-641-4907, Monday - Friday, 7:30 a.m. - 4:30 p.m. EST.

If you choose to join a different Medicare plan, you can contact **800-MEDICARE** anytime, 24 hours a day, 7 days a week, for help in learning how. TTY users can call **877-486-2048**. Your state may have counseling services through the State Health Insurance Assistance Program (SHIP). They can provide

- continued on next page -

you with personalized counseling and assistance when selecting a plan, including Medicare Supplement plans, Medicare Advantage plans and prescription drug plans. They can also help you find medical assistance through your state Medicaid program and the Medicare Savings Program.

What if I want to leave the Humana Group Medicare PPO plan?

You can change or cancel your Humana coverage at any time and return to Original Medicare or another Medicare Advantage plan by using a special election. You can send a request to the Humana Group Medicare plan. Please contact BeneSys at 248-641-4907, Monday - Friday, 7:30 a.m. - 4:30 p.m. EST. You can also call **800-MEDICARE** anytime, 24 hours a day, 7 days a week. TTY users can call **877-486-2048**.

What happens if I move?

The Humana Group Medicare PPO plan serves a specific service area. **If you move to another area or state, it may affect your plan.** Please contact BeneSys at 248-641-4907, Monday - Friday, 7:30 a.m. - 4:30 p.m. EST with the updated information. Please also call Humana Group Medicare Customer Care at **800-733-9064 (TTY: 711)**, Monday - Friday, 8 a.m. - 9 p.m., Eastern time, to notify of the new address and phone number.

If you leave this plan and don't have creditable prescription drug coverage (as good as Medicare's prescription drug coverage), you may have to pay a late enrollment penalty if you enroll in Medicare prescription drug coverage in the future.

Release of Information

By joining this Medicare Advantage plan, you give us permission to share your information with Medicare and other plans when needed for treatment, payment and health care operations. We do this to make sure you get the best treatment and to make sure that it is covered by the plan. Medicare may also use this information for research and other reasons allowed by Federal law.

What to expect after you enroll

- **Enrollment confirmation**

You'll receive a letter from Humana once the Centers for Medicare & Medicaid Services (CMS) confirms your enrollment.

- **Humana member ID card**

Your Humana member ID card will arrive in the mail shortly after you enroll.

- **Evidence of Coverage (EOC)**

You will receive information on how to view or request a copy of an Evidence of Coverage document (also known as a member contract or subscriber agreement). Please read the document to learn about the plan's coverage and services. This will also include your privacy notice.

- **Take your Medicare Health Assessment**

CMS requires Humana to ask new members to complete a health survey within their first few months of enrollment.

It's nine simple questions about your health. Your answers will help us guide you to tools and resources available to help you reach your health goals. The information you provide will not affect your plan premiums or benefits or what you pay for them.

Once you have received your Humana member ID card or after your plan is effective, you can call our automated voice service anytime to take this survey at **888-445-3389 (TTY: 711)**. When you call, you'll be asked to provide your eight-digit member ID number located on the front of your Humana member ID card, so have your ID card handy.

You may also take the survey online at **MyHumana.com** after activating your online account.

- **In-home Health and Well-being Assessment (IHWA)**

This is a yearly detailed health review conducted in the comfort of your home, providing an extra set of eyes and ears for your doctor so you can feel more in control of your health and well-being.

You may receive a call from one of our IHWA vendors, Signify Health or Matrix Medical Network, to schedule your assessment. If you have questions, you may ask when they call, or contact Humana at the phone number listed on the back of your member ID card.

What is Medicare?

Medicare is a federal health insurance program for U.S. citizens and legal residents who are 65 and older or those younger than 65 and qualify due to a disability.

Medicare Part A

Hospital insurance

It helps cover medically necessary inpatient care in a hospital or skilled nursing facility. It also helps cover some home healthcare and hospice care.

Medicare Part B

Medical insurance

It helps cover medically necessary providers' services, outpatient care and other medical services and supplies. Part B also helps cover some preventive services.

Medicare Part C

Medicare Advantage plans

These are available through private insurance companies, such as Humana. Medicare Part C helps cover everything medically necessary that Part A and Part B cover, including hospital and medical services. You still have Medicare if you elect Medicare Part C coverage. You must be entitled to Medicare Part A and enrolled in Part B to be eligible for a Medicare Part C plan.

Medicare Part D

Prescription drug coverage

It helps pay for the medications your provider prescribes and is available in a stand-alone prescription drug plan or included in a Medicare Advantage prescription drug plan. Like Part C Medicare Advantage plans, Part D is only available through private companies, such as Humana. Many Part C Medicare Advantage plans include Medicare Part D prescription drug coverage.

How does it work?

- Medicare is divided into parts A, B, C and D.
- Parts A and B are called Original Medicare.
- You must be entitled to Medicare Part A and enrolled in Medicare Part B as the Humana Group Medicare PPO plan is a Medicare Advantage plan.
- You must also continue paying Medicare Part B premiums to remain enrolled in this plan.

How your PPO plan works

Preferred provider organization (PPO) plans give you the freedom to get care in- or out-of-network. Your benefit plan coverage remains the same, even if you receive care from an out-of-network provider. For more information, refer to your Summary of Benefits located in this packet.

Using a PPO plan

- You'll have a PCP who will help you manage your care, will get to know your overall health history and can guide you toward preventive care to help you be healthy and active.
- You can use any provider who is part of our network, or you can use any provider who accepts Medicare and agrees to bill Humana.
- Your plan doesn't require referrals to see other providers, but your PCP can help guide you when you need specialized care.
- Humana Medicare PPO network providers must take payment from Humana for treating plan members.
- Humana supplies in-network providers with information about services and programs available to patients with chronic conditions.

Medical preauthorization

For certain services and procedures, your provider or hospital may need to get advance approval from Humana before your plan will cover any costs. This is called prior authorization or preauthorization. Providers or hospitals will submit the preauthorization request to Humana. If your provider hasn't done this, please call our Customer Care team, as Humana may not be able to pay for these services.

Having a provider you're happy with can play an important role in your health and meeting your needs

If your healthcare provider says they do not accept Humana insurance, give them this flyer.

Once you are a member of the Humana Group Medicare Preferred Provider Organization (PPO) plan, sharing this information can help your provider understand how this plan works.

Don't forget to take your Humana member ID card to your first appointment.

A message for your provider

Humana will provide coverage for this retiree under a Group Medicare PPO plan. The in-network and out-of-network benefits are structured the same for any member of this plan. This means you can provide services to this retiree or any member of this plan if you are a provider who is eligible to participate in Medicare.

Contracted healthcare providers

If you're a Humana Medicare Employer PPO-contracted healthcare provider, you'll receive your contracted rate.

Out-of-network healthcare providers

Humana is dedicated to an easy transition. If you're a provider who is eligible to participate in Medicare, you can treat and receive payment for your Humana-covered patients who have this plan. Humana pays providers according to the Original Medicare fee schedule less any member plan responsibility.

Claims process for providers

If you need more information about our claims processes or about becoming a Humana Medicare Employer PPO-contracted provider, call Provider Relations at **800-626-2741**, Monday – Friday, 9 a.m. – 6 p.m., Eastern time. **This number is not for patient use.**

Patients, please call the Group Medicare Customer Care number on the back of your Humana member ID card.

Telehealth

The doctor is in, even if you can't or don't want to go into an office. Telehealth visits allow you to get nonemergency medical care or behavioral healthcare through your phone,* tablet or computer.

Telehealth could be used for chronic condition management, follow-up care after an in-office visit, medication reviews and refills, and much more—just like an in-office visit.

Ask your trusted provider if they offer telehealth visits and if so, what you need to do to get started.

Behavioral health

Use telehealth services to connect with a licensed behavioral health specialist. These providers are available when you may need them to coach you through many of life's challenges.

Ask your trusted provider about any virtual behavioral health options they may offer, or visit mentalwellness.humana.com to search for providers who can help with talk therapy, medication and more. To find additional support options available, you can also log-in to your MyHumana account, and click "Get Care".

Home health

There are certain times in life—like after an injury or illness—when we could use an extra hand with things like bathing, grooming, preparing meals or other activities of daily living. With Humana's Personal Home Care Services (PHCS) benefit, you may qualify for care that makes things easier for you.

Specially trained nurses and therapists focus on your specific needs to create a personalized care plan for you. The goal is to help you manage your health with confidence, regain independence and enjoy a healthier, happier life.

To receive home health services, you must have a referral from your doctor. To see if you may qualify, call the number on the back of your Humana member ID card.

Remember, when you have a life-threatening injury or major trauma, call 911.

*Video may be required for telehealth visits. Standard data rates may apply.

Limitations on telehealth services, also referred to as virtual visits or telemedicine, vary by state. These services are not a substitute for emergency care and are not intended to replace your primary care provider or other providers in your network. Any description of when to use telehealth services is for informational purposes only and should not be construed as medical advice. Please refer to your Evidence of Coverage for additional details on what your plan may cover or other rules that may apply.

Prescription drug coverage

Some medications covered by Humana may have requirements or limits on coverage. These requirements and limits may include prior authorization, quantity limits or step therapy. You can visit **Humana.com/Pharmacy** to view your prescription drug guide, it will provide information on quantity limits, step therapy or if a prior authorization is required. If you have additional questions, please call our Customer Care number on the back of your Humana member ID card.

Prior authorization

The Humana Group Medicare Plan requires you or your provider to get prior authorization for certain medications. This means that you will need to get approval from the Humana Group Medicare Plan before you fill your prescriptions. The reason a prior authorization is required can vary depending on the medication. Humana will work with your provider when a prior authorization is required. The Centers for Medicare & Medicaid Services (CMS) requires a turnaround time of 72 hours for a prior authorization. However, an expedited review can be requested by your provider if waiting 72 hours may be harmful to you.

Quantity limits

For some medications, the Humana Group Medicare Plan limits the quantity of the medication that is covered. The Humana Group Medicare Plan might limit how many refills you can get or quantity of a medication you can get each time you fill your prescription. Specialty medications are limited to a 30-day supply regardless of tier placement.

One-time transition fill

For certain medications typically requiring prior authorization or step therapy, Humana will cover a one-time, 30-day supply of your Part D covered medication during the first 90 days of your enrollment. Once you have received the transition fill* for your prescription requiring a prior authorization or step therapy, you'll receive a letter from Humana telling you about the requirements or limits on the prescription. The letter will also advise that you will need to get approval before future refills will be covered. A prior authorization will need to be approved or other alternative medications should be tried if the medication requires step therapy.

Step therapy

In some cases, the Humana Group Medicare Plan requires that you first try certain medications to treat your medical condition before coverage is available for a more expensive medication prescribed to treat your medical condition.

*Some medications do not qualify for a transition fill, such as medications that require a Part B vs D determination, CMS Excluded medications, or those that require a diagnosis review to determine coverage.

Talk to your provider about your medications to see if they require prior authorization, have quantity limits or if step therapy is needed.

Medicare Part D prescription medication tiers

Tier 1 – Generic or preferred generic

Essentially the same medications, usually priced differently

Have the same active ingredients as brand-name medications and are prescribed for the same reasons. The Food and Drug Administration (FDA) requires generic medications to have the same quality, strength, purity and stability as brand-name medications. Your cost for generic medications is usually lower than your cost for brand-name medications.

Tier 2 – Preferred brand

A medication available to you for less than a nonpreferred

Generic or brand-name medications that Humana offers at a lower cost to you than nonpreferred medications.

Tier 3 – Nonpreferred medication

A more expensive medication than a preferred

More expensive generic or brand-name prescription medications that Humana offers at a higher cost to you than preferred medications.

Tier 4 – Specialty

Medications for specific uses

Some injectable and other high-cost medications to treat chronic or complex illnesses like rheumatoid arthritis and cancer.

Frequently asked questions

Do I need to show my red, white and blue Medicare card when I visit the doctor?

No. You'll get a Humana member ID card that will take its place. Keep your Medicare ID card in a safe place—or use it only when it's needed for discounts and other offers from retailers.

What should I do if I move or have a temporary address change?

If you move to another area or state, it may affect your plan. It's important to contact your group benefits administrator for details and call to notify Humana of the move.

What should I do if I have to file a claim?

Call Humana Group Medicare Customer Care for more information and assistance. To request reimbursement for a charge you paid for a service, send the provider's itemized receipt and the Health Benefits Claim Form (also available at **Humana.com**) to the claims address on the back of your Humana member ID card. Make sure the receipt includes your name and Humana member ID number.

What if I have other health insurance coverage?

If you have other health insurance, show your Humana member ID card and your other insurance cards when you see a healthcare provider. The Humana Group Medicare plan may be eligible in combination with other types of health insurance coverage you may have. This is called coordination of benefits. Please notify Humana if you have any other medical coverage.

When does my coverage begin?

Your former employer or union decides how and when you enroll. Check with your benefits administrator for the proposed effective date of your enrollment. Be sure to keep your current healthcare coverage until your Humana Group Medicare PPO plan enrollment is confirmed.

What if my service needs a prior authorization?

If your medical service or medication requires a prior authorization, your provider can contact Humana to request it. You can call Customer Care if you have questions regarding what medical services and medications require prior authorization.

Your provider can go to **Humana.com/Provider** and select "Preauthorizations." This page has a printable form that can be mailed or faxed to Humana. They can also call **800-555-2546 (TTY: 711)** to speak with our Humana Clinical Pharmacy Review team, Monday – Friday, 8 a.m. – 8 p.m., Eastern time.

What if my provider says they will not accept my plan?

If your provider says they will not accept your PPO plan, you can give your provider the "Group Medicare Provider Information" flyer on page 13. It explains how your PPO plan works. You can also call Customer Care and have a Humana representative contact your provider and explain how your PPO plan works.

What should I do if I need prescriptions filled before I receive my Humana member ID card?

If you need to fill a prescription after your coverage begins but before you receive your Humana member ID card, take a copy of your temporary proof of membership to any in-network pharmacy.

How can I get help with my drug plan costs?
