This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, please go to www.ibubenefits.org or call 1-800-547-4457 (outside Portland) or 1-503-224-0048. Important Questions	Answers	Why This Matters:
What is the overall deductible ?	Per claimant/Per family per plan year: Medical-PPO Providers: \$200/\$600 Medical-Non-PPO Providers: \$500/\$1,000	You must pay all the costs up to the deductible amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the deductible starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the deductible .
Are there services covered before you meet your deductible ?	Yes.	Deductible waived for preventive care , office visits, and acupuncture, chiropractic and naturopathic care from in-network providers .
Are there other deductibles for specific services?	No. There are no other specific deductibles .	You don't have to meet deductibles for specific services, but see the chart starting on page 2 for other costs for services this plan covers.
What is the out-of-pocket limit for this plan ?	Per claimant/ Per family per plan year: Medical-PPO providers: \$1,700/\$3,600 . Medical Non-PPO Providers: \$5,000/\$10,000 Prescription Drug: \$4,900/\$9,600	The out-of-pocket limit is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the out-of-pocket limit ?	Any amounts you pay for non-covered services, or amounts in excess of the allowed amount do not apply toward the out-of-pocket limit .	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.premiera.com or call 1-800-810-2583 for lists of preferred or participating providers .	If you use an in-network doctor or other health care provider , this plan will pay some or all of the costs of covered services. Be aware, your in-network doctor or hospital may use an out-of-network provider for some services. Plans use the term in-network, preferred, or participating for providers in their network . See the chart starting on page 2 for how this plan pays different kinds of providers .
