May 13, 2020

To All Participants:

Acting under recent federal legislation related to the COVID-19 pandemic, the Trustees have amended the Plan to make certain distributions available to eligible Participants.

These distributions—called “COVID-19-Related Distributions”—are available only for a limited period of time, specifically, during the period of April 20, 2020 through August 31, 2020.

If you meet the following requirements, you may obtain a COVID-19-Related Distribution:

- (a) You must have an Individual Account balance in excess of \$3,000.00, AND
- (b) You must represent in writing, using the form approved by the Board of Trustees for this purpose, that:
 - (1) You have been diagnosed with COVID-19 by a health care provider; OR
 - (2) Your spouse or dependent has been diagnosed with COVID-19 by a health care provider; OR
 - (3) You are experiencing adverse financial consequences stemming from COVID-19 as a result of one or more of the following causes: being quarantined, being furloughed, being laid off, having reduced work hours, being unable to work due to lack of childcare, or the closing or reduction in hours of a business that you own or operate.

The maximum amount of a distribution is \$4,000.00, or, if less, the amount in your Individual Account in excess of \$3,000.

During the availability period described above, you may apply for an additional COVID-19-Related Distribution after thirty days from receipt of a distribution. You will need to establish current eligibility each time that you apply.

Participants may repay all of or any portion of a COVID-19-Related Distribution in accordance with regulations issued by the Secretary of the Treasury.

Contact the Administrative Office if you have questions or wish to apply for a distribution. Please note that the Administrative Office has moved to the address listed above.

Sincerely,

BOARD OF TRUSTEES
