Important Notice from Northern California Tile Industry Health & Welfare Plan About Your Prescription Drug Coverage and Medicare

Medicare Part D plans are available to every person who is eligible for Medicare. All such plans will provide at least a standard level of coverage set by Medicare and some plans may offer more coverage for a higher monthly premium. ***Note that the Medicare Part D prescription drug program is NOT a benefit provided through the Northern California Tile Industry Health & Welfare Plan (“Plan”).*** It is provided through Medicare and is marketed by various Medicare-approved “Prescription Drug Providers” (PDPs). If you are eligible for Medicare, you will have a chance to enroll in a Medicare-approved Part D plan from October 15th through December 7th of each year. If you ever lose your current Plan prescription drug coverage through no fault of your own, you will then be eligible for a two-month special open enrollment period to enroll in a Part D plan.

This notice is to inform you that your current prescription drug benefit program through the Northern California Tile Industry Health & Welfare Plan provides “creditable coverage,” as defined below. It also includes answers to questions you may have regarding your current prescription drug program and how it relates to Medicare Part D coverage.

2026 CERTIFICATE OF CREDITABLE PRESCRIPTION DRUG COVERAGE

The Northern California Tile Industry Health & Welfare Plan hereby certifies that the prescription drug coverage it provides to Medicare-eligibles is expected to pay out, on average for prescription drugs for all such participants, at least as much as the standard Medicare Part D prescription drug coverage would be expected to pay on average in calendar year 2026. It is therefore designated as providing 2026 “creditable coverage,” meaning that any participant who later enrolls in a Part D plan will not be charged a late enrollment penalty for 2026.

This is your notice of creditable coverage. Be sure to read it carefully and keep it in a safe place where you can find it. If you lose this notice and need another copy, please call the Northern California Tile Industry Health & Welfare Plan’s Administrator at (925) 208-9995, or request a copy in writing from Benesys Administrators, 7180 Koll Center Parkway, Suite 200, Pleasanton, CA 94566. Updated versions of this notice will be sent annually and you will be informed if the Northern California Tile Industry Health & Welfare Plan ever loses its creditable coverage status.

FREQUENTLY ASKED QUESTIONS

- (1) ***If I am a retired Trust participant with Kaiser Senior Advantage, United Health Care – Secure Horizons, or in the Self-Funded PPO, do I need to do anything now?***

No, if you stay with Kaiser Senior Advantage, United Health Care – Secure Horizons, or in the Self-Funded PPO then you have the Part D plan provided by that HMO or Plan. You cannot be enrolled in more than one Part D plan at a time, so if you attempt to sign up with another Part D provider you risk being disenrolled from your HMO medical and drug coverage. Call your HMO if you have any questions.

- (2) ***If I am an active Trust participant, or a retired participant not with Kaiser Senior Advantage, United Health Care – Secure Horizons, or in the Self-Funded PPO, do I need to do anything now?***

No, you don't need to do anything.

When you first become eligible for Medicare¹, you will have the option to independently enroll in a Medicare Part D prescription drug plan. However, ***by independently enrolling in a Part D plan you will permanently lose your current prescription drug coverage under the Northern California Tile Industry Health & Welfare Plan and you will not be reimbursed for your Part D premiums.*** As mentioned above, the standard Part D benefit is not as good as the Northern California Tile Industry Health & Welfare Plan's own prescription drug program (as described in your Northern California Tile Industry Health & Welfare Plan booklet).

You should compare your current prescription drug program, including which drugs are covered, with the benefits and costs of the Medicare Part D plans available in your area. To view the official summary of approved Medicare Part D plans in any U.S. state, visit <http://www.medicare.gov/find-a-plan/questions/home.aspx>. Note that a Part D plan might not include your regular prescription drugs on its formulary. The Northern California Tile Industry Health & Welfare Plan cannot provide you with a complete comparison of available Part D plans, but we urge you to carefully review any descriptions you may obtain.

- (3) ***So why do I need to keep my notice of creditable coverage?***

In case you ever drop or lose your Northern California Tile Industry Health & Welfare Plan coverage, or in the unlikely event that Northern California Tile Industry Health & Welfare Plan coverage becomes non-creditable, having this notice will allow you to immediately enroll in a Part D plan without having to pay a late enrollment penalty. Specifically, if you try to enroll after your initial eligibility period, you will be charged a permanent Part D premium surcharge of 1% for every month since your initial Medicare eligibility for which you cannot show that you had creditable coverage (if such non-creditable period exceeds 62 days). Also note that you may have to wait for the next regular annual Part D enrollment period, which will be October 15th through December 7th for coverage in the following calendar year.

¹ Your Medicare Initial Enrollment Period will be the month in which you become age 65, plus the preceding three months and the succeeding three months.
