## Good news for 2025

The Coverage Gap, or “donut hole”, has been eliminated and your out-of-pocket limit (the amount you and others on your behalf pay) is \$2,000. That means you’re more protected from high drug costs in 2025.

## Prescription drugs

<b>Deductible</b>	The plan does not have a prescription drug deductible. Your coverage starts in the Initial Coverage stage.	
<b>Initial coverage</b>	In this stage, you’ll pay your plan copays or coinsurance. The plan pays the rest. Once you, and others on your behalf, have paid a combined total of \$2,000 you move to the Catastrophic Coverage stage.	
<b>Tier drug coverage</b> (After you pay your deductible, if applicable)	<b>Retail Cost-Sharing</b>  <b>30-day supply</b>	<b>Mail Order Cost-Sharing</b>  <b>90-day supply</b>
<b>Tier 1:</b> Preferred Generic	\$10 copay	\$20 copay
<b>Tier 2:</b> Preferred Brand	\$25 copay	\$50 copay
<b>Tier 3:</b> Non-preferred Drug	\$50 copay	\$100 copay
<b>Tier 4:</b> Specialty Tier	\$50 copay	\$100 copay

## Prescription drugs

<b>Catastrophic coverage</b>	Once you're in this stage, you won't pay anything for your Medicare-covered Part D drugs for the rest of the plan year.  If your plan includes additional prescription drug coverage, you will continue to pay the cost-sharing amounts from the Initial Coverage stage for those drugs. Please see your Additional Drug Coverage list for more information.
------------------------------	--

<sup>~</sup> You will pay a maximum of \$35 for a 1-month supply of each Part D insulin product covered by our plan. Most adult Part D vaccines are covered at no cost to you.

If the actual cost for a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.

Your plan sponsor offers drug coverage in addition to your Part D prescription drug benefit. The drug copays in this section are for drugs that are covered by both your Part D benefit and your additional drug coverage. For more information, see your Additional Drug Coverage list. You can also view the Certificate of Coverage at [retiree.uhc.com](http://retiree.uhc.com) or call Customer Service to have a hard copy sent to you.

If you reside in a long-term care facility, you will pay the same for a 31-day supply as a 30-day supply at a retail pharmacy.

### **You may qualify for Extra Help from Medicare**

## Use network providers and pharmacies

UnitedHealthcare® Group Medicare Advantage (HMO) has a network of doctors, hospitals, pharmacies and other providers. This health plan requires you to select a primary care provider (PCP) from the network. Your PCP can handle most routine health care needs and will be responsible to coordinate your care. If you need to see a network specialist or other network provider, you may need to get a referral from your PCP. We encourage you to find out which specialists and hospitals your PCP would recommend for you and would refer you to for care, prior to selecting them as your plan's PCP. If you use providers or pharmacies that are not in our network, the plan may not pay for those services or drugs, or you may pay more than you pay at a network pharmacy.

You can go to [retiree.uhc.com](http://retiree.uhc.com) to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions.
