

Cancer support made for you.

Color's personalized care can help you prevent cancer, get care for it, and live your life after it.

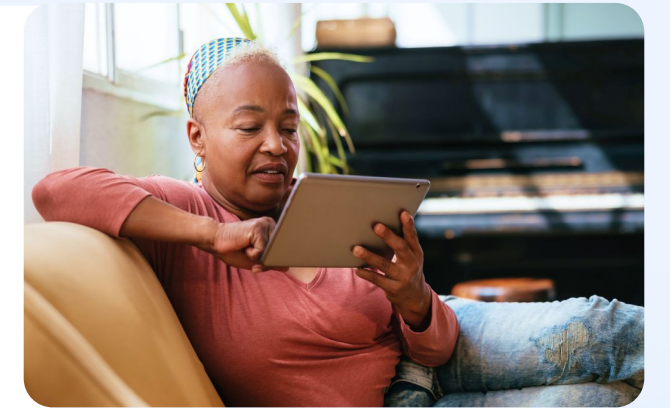

This benefit is available to all members, spouses, and dependents 18 years and older who are enrolled under the BAC Local 9 Fund. Color also includes services for caregivers of pediatric cancer patients.

To claim your benefit, scan the QR code or visit color.com/baclocal9

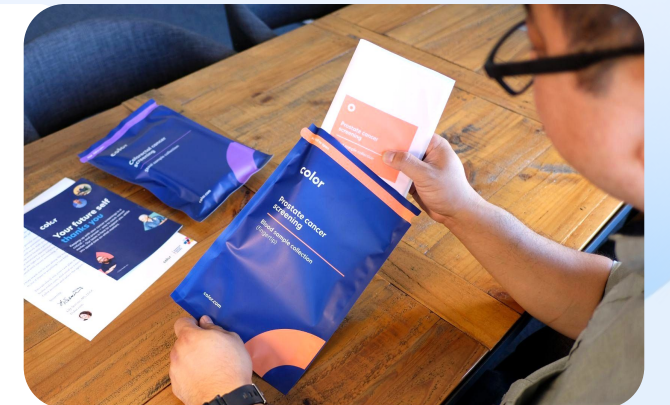

Here's what you get when you activate your new benefit — completely covered by the BAC Local 9 Fund:

A personalized **plan made specifically for you** based on your health history and unique needs

Convenient, at-home cancer screenings for colon, cervical and prostate cancers, and **help scheduling in-person screenings**

A team of oncologists and cancer experts you can contact at any time and count on to answer your questions
