## Part 2: Payment Election- only select one box

### Tax Withholding Notification & Elections

Your Plan Administrator is required to provide you with a Tax Notice regarding qualified plan payments. It contains important information you need to know before making a payment or withholding election. You should understand that the taxable portion of a distribution, which is eligible for a rollover, is subject to a 20% mandatory federal income tax withholding and, if applicable, state income tax withholding. You can avoid this tax, at the present time, by making a Direct Rollover of the funds to a qualified plan or an Individual Retirement Account (IRA). You have the right to make or change your election up to the date of payment, but the election may not be made or changed after the distribution has been made. You understand that a \$45.00 processing fee will be deducted from your distribution.

Please indicate below which form of distribution you wish to receive:

## Part 3: FEDERAL TAX WITHHOLDING

**Direct Payment to You.** (If you elected to have payment made directly to you in Part 2 above (options A, C or D) any part of your distribution that is eligible for rollover is subject to mandatory 20% federal withholding.)

Instead of the mandatory 20% withholding, I elect to have more than 20% withheld for federal income tax. The amount that I would like to be withheld is (choose one): \_\_\_\_\_% or \$\_\_\_\_\_. (If the percent or dollar amount is not higher than 20%, I understand that my election in this section will be disregarded, and 20% will be withheld).

**Please Note: If you are under age 59½, you may be subject to a 10% federal early distribution penalty and a state tax penalty where applicable (unless an exception applies). Please see the attached 402 (f) Notice and consult with your tax advisor to understand the tax implications for you.**

## PART 4: STATE TAX WITHHOLDING

State tax will be withheld according to the rules and rates in effect at the time of your distribution. If you reside in a state that requires mandatory withholding, your election to not have taxes withheld will be disregarded, and your distribution will be subject to the minimum required withholding. If you elect State tax to be withheld, Federal tax must also be withheld and we will use the state

CHECK ONLY ONE:

I do  I do NOT want to have state income tax withheld from my benefit payments.

If you indicated "I do" above, please specify the state tax amount you want withheld. I want: \_\_\_\_\_% withheld for state tax.

## PART 5: PAYMENT ELECTION

I have added my ACH information to my personal profile on MillimanBenefits.com and would like my payment issued as an ACH; if no ACH information on file or ACH information provided rejects, a paper check will be mailed to the address on this form. If you wish to receive your distribution via ACH and haven't already updated your personal profile on MillimanBenefits.com, please do so.
