INTRODUCING A NEW PHARMACY BENEFIT MANAGER

We are pleased to announce that, effective October 1, 2026, for all Active and Non-Medicare Plan participants and dependents that the Pharmacy Benefits Manager will change from MedImpact to ProAct.

As of October 1, 2026, you and your covered dependents will be enrolled automatically in ProAct, and your ongoing prescriptions will be transferred from MedImpact to ProAct. A new ID card with ProAct’s information will be mailed to you in September 2026 from the Plan’s Administrative Office. This new card must be presented to your pharmacy for all prescriptions filled on or after October 1, 2026. Continue to use your current ID card for prescriptions until September 30, 2026.

ProAct’s pharmacy network provides convenient access to all major chains, grocery store pharmacies, and independent pharmacies throughout the United States. ProAct also provides mail order options for your medications and a dedicated customer service staff to answer questions about your prescription benefits.

ProAct will send you a Welcome Letter prior to October 1, 2026 that will contain Online Resources, Mail Order, Prior Authorization, and Specialty Pharmacy information. You will need to wait until October 1, 2026 to access these services. ProAct’s Customer Service line will be active as of October 1, 2026.
