HEALTH AND WELFARE FUND**

**FLU SHOTS AVAILABLE**

As you know, it is very important to have Flu Shots.

You and your eligible dependents (age 18 and over) of the HAGERSTOWN TEAMSTERS AND MOTOR CARRIERS HEALTH & WELFARE FUND can get a **Seasonal Flu Vaccine at no cost to you**. Just present your Health & Welfare ID card at any participating pharmacy. There is no copay.

The program is available at the pharmacies only during certain periods of the year. This year most pharmacies should have the vaccines available **from now through April 30, 2024**; however, in subsequent years, the dates may vary.

Due to laws in many states **children under the age of 18 cannot be vaccinated by a pharmacist**. Therefore, if you wish to have your eligible minor children receive the flu shot, you have two options:

- ✓ Visit a participating pharmacy with a medical professional – nurse or doctor – such as a Minute Clinic.
- ✓ Visit your child's doctor and pay for the visit and vaccine. You can then file a claim with the Fund Office for reimbursement of the vaccines and associated office visit. *The office visit will be paid in full up to the allowable amount (PPO allowable or UCR). The vaccines will be covered up to a maximum allowed as stated above.*

You may also get your shots/vaccines at your physician's office and file a claim for reimbursement. If you have any questions, please contact the Fund Office at (301) 733-2602 or toll free at (800) 962-3972.

**If you have any questions, please do not hesitate to contact the Fund Office.**

**Sincerely,**
