## Ways to search for a provider:

- There are several ways to search for a provider. Sometimes you may need to use more than one method.
- Doctor by Type (Examples)
  - Chiropractor
  - Primary Care
  - OB/GYN
  - Skin Doctor
- Doctor by Name
  - Search by doctor's name
  - Search by health system name (examples)
    - Providence
    - Legacy
    - Express Care
- Health Facilities (Examples)
  - Hospital and Medical Centers
  - Physical Therapy
  - Urgent Care
  - Behavioral Health Facilities
  - Advanced Imaging (MRI, CAT scan)

## Helpful Hints when searching:

- Try using different terms for providers or facilities.
  - Urgent cares are also called immediate care, Express Care, Walk-In clinic.
- Try using partial names - Example: Use Legacy instead Legacy Health or Hospital
- Mileages listed are often as the “crow flies” and not based on true travel distance.
- Use the mouse to click and drag the map to a new area and update the search.
- Provider offices may be listed by the office name (PMG – Family Medicine)
- Massage Therapy is covered if provided by a Licensed Massage Therapist (LMT)
- For extra help, call the telephone number on your ID card.
