to the

IBEW LOCAL 234 HEALTH AND WELFARE PLAN

The Trustees of the IBEW Local 234 Health and Welfare Plan (“Plan”) are pleased to inform you of a benefit improvement to the Plan, which is described below.

ADHD Coverage

Effective as of October 1, 2024, Attention Deficit Hyperactivity Disorder (“ADHD”) services will be a covered benefit at the same level as any other outpatient behavioral health service with no annual or lifetime dollar limits (80% of Network Allowance when seeing a network provider – calendar year deductible applies). This benefit improvement also includes prescription drugs, which the Plan already covers for those diagnosed with ADHD.

You can seek treatment for ADHD by contacting your network provider to determine whether medication, therapy or a combination of the two is right for you or your family.

Please contact the Fund Office if you have any questions.
