## IMPORTANT REMINDER

Dear Fund Participant:

As previously advised important changes are coming to your healthcare network effective January 1, 2026. Please make note of this change when seeking healthcare services after January 1, 2026.

Effective January 1, 2026, **Aetna** will be the claims payor under the Plan. Therefore, effective for all medical services incurred on and after January 1, 2026, Anthem will no longer be the claims payor.

Like Anthem, Aetna is a Preferred Provider Organization (PPO). As such, Aetna provides incentives to use providers within the Aetna Network. Aetna has one of the largest network of hospitals, physicians, and other healthcare providers in the country. Using one of the providers within their network will save money for you and the Plan.

**The current in-network and out-of-network Plan benefits, deductibles, co-insurance, and out-of-pocket obligations will continue to apply. There will be no change to your benefits.** The only change to the Plan at this time will be that, effective for medical services incurred on and after January 1, 2026, Aetna will replace Anthem as the Plan's claims payor. **No changes have been made to your prescription benefit plan, please continue to use your Sav-Rx identification card for the prescription benefit.**

On the next page is information from Aetna to assist you in verifying in-network providers online, as well as additional benefits that are available to you and your eligible dependents.

You will be receiving additional mailings and other information directly from Aetna (***Aetna ID card***) and the Fund Office between now and January 1, 2026. Please read this information carefully and keep it with your copy of the Plan SPD.

If you have any questions, please feel free to contact the Plan's Administrative Manager at (800) 435-2388.

Sincerely,

BOARD OF TRUSTEES
