Important Notice from Mahoning & Trumbull County Building Trades Insurance Fund About Your Prescription Drug Coverage and Medicare

Who Does This Notice Apply To:

All Normal Retiree Members and/or Dependents covered under the Mahoning & Trumbull County Building Trades Insurance Fund who are eligible for Medicare. These persons will need this information to help decide whether or not, and when, to enroll in one of the Medicare prescription drug plans being offered since prescription drug coverage is not available through the Mahoning & Trumbull County Building Trades Insurance Fund.

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Mahoning & Trumbull County Building Trades Insurance Fund and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are three important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Mahoning & Trumbull County Building Trades Insurance Fund has determined that the prescription drug coverage offered by the Mahoning & Trumbull County Building Trades Insurance Fund is, on average for all plan participants, **NOT** expected to pay out as much as standard Medicare prescription drug coverage pays. Therefore, your coverage is considered Non-Creditable Coverage. This is important because, most likely, you will get more help with your drug costs if you join a Medicare drug plan, than if you only have prescription drug coverage from the MAHONING & TRUMBULL COUNTY BUILDING TRADES INSURANCE FUND. This also is important because it may mean that you may pay a higher premium (a penalty) if you do not join a Medicare drug plan when you first become eligible.
3. You can keep your current coverage from Mahoning & Trumbull County Building Trades Insurance Fund. However, because your coverage is non-creditable, you have decisions to make about Medicare prescription drug coverage that may affect how much you pay for that coverage, depending on if and when you join a drug plan. When you make your decision, you should compare your current coverage, including what drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area. Read this notice carefully - it explains your options.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th.

However, if you decide to drop your current coverage with Mahoning & Trumbull County Building Trades Insurance Fund, since it is employer/union sponsored group coverage, you will be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan; however, you may also pay a higher premium (a penalty) because you did not have creditable coverage under Mahoning & Trumbull County Building Trades Insurance Fund.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

Since the coverage under MAHONING & TRUMBULL COUNTY BUILDING TRADES INSURANCE FUND is not creditable, depending on how long you go without creditable prescription drug coverage, you may pay a penalty to join a Medicare drug plan. Starting with the end of the last month that you were first eligible to join a Medicare drug plan but didn't join, if you go 63 continuous days or longer without prescription drug coverage that's

creditable, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the Fund office for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan and if this coverage through MAHONING & TRUMBULL COUNTY BUILDING TRADES INSURANCE FUND changes. You also may request a copy of this notice at any time.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Mahoning & Trumbull County Building Trades Insurance Fund coverage will not be affected. **Note that, regardless of whether you enroll in a Medicare prescription drug plan, Mahoning & Trumbull County Building Trades Insurance Fund does NOT provide prescription drug coverage for Normal Retirees and Dependents eligible for Medicare.**
