NOTICE TO ALL PARTICIPANTS REGARDING *Adoption of Temporary Covid-19 ("Coronavirus") Plan Changes* FOR THE INDEMNITY PPO MEDICAL OPTIONS OF THE IBEW LOCAL 595 HEALTH & WELFARE PLAN

The Trustees of the IBEW Local 595 Health & Welfare Trust Fund have approved changes to Indemnity PPO Plan of the Health & Welfare Plan (Plan).

Under the direction of Governor Gavin Newsom, the Department of Managed Health Care (DMHC) has directed all full-service commercial and Medi-Cal plans regulated by the Department to immediately reduce cost-sharing to zero for all medically necessary screening and testing for the novel coronavirus (COVID-19). This includes waiving cost-sharing for emergency room, urgent care or provider office visits when the purpose of the visit is to be screened and tested for COVID-19. The need for COVID-19 testing is based on medical necessity, a clinical determination made on a case-by-case basis by medical professionals.

The Indemnity PPO Plan is self-funded and governed by ERISA and is not required to follow State insurance regulation. However, effective immediately, your Board of Trustees has taken the following steps to address Covid-19 (often called "Coronavirus"). These changes to the Indemnity PPO are generally intended to track changes that -- if you are enrolled in Kaiser or the United Healthcare HMO -- apply to HMOs under State law, and will be implemented as soon as possible:

- 1) Waive any out-of-pocket costs associated with testing for COVID-19 for both PPO and non- PPO providers. Treatment of COVID-19 would still be subject to applicable cost sharing and PPO/non-PPO benefits depending on the provider's status.
- 2) Temporarily suspend any prior authorization requirement for treatment or testing of COVID-19.
- 3) Temporarily loosen early refill requirements on maintenance prescriptions drugs filled at retail to avoid need to leave home to refill if impacted by the virus
