Important Questions	Answers	Why This Matters:
<b>What is the overall <u>deductible</u>?</b>	\$500 person/\$1,000 family effective January 1, 2026 through December 31, 2026.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your <u>deductible</u>?</b>	Yes. <u>Preventive</u> care.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>co-payment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <u>deductibles</u> for specific services?</b>	Yes. \$25 per person <u>deductible</u> for dental coverage (except preventive care) effective January 1, 2026 through December 31, 2026.	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	For <u>network providers</u> \$8,150 individual (\$6,310 medical and \$1,840 <u>prescription drug</u> ) and \$16,300 per family (\$12,620 medical and \$3,680 <u>prescription drug</u> ) effective January 1, 2026 through December 31, 2026.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	Balance-billed charges, non-covered charges, charges in excess of allowable amounts, and penalties for failure to obtain <u>preauthorization</u> of services. In addition, the cost between a chosen brand and generic equivalent does not count toward the <u>out-of-pocket limit</u> .	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes (select OAP). See <a href="http://www.CIGNAsharedadministration.com">www.CIGNAsharedadministration.com</a> , <a href="http://www.CIGNA.com">www.CIGNA.com</a> or at 1-800-768-4695 for a list of <u>network providers</u> .	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. See the No Surprises Act Notice for exceptions.
<b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>	Yes. Hearing aids must be <u>preauthorized</u> .	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have the <u>plan's permission</u> before you see the <u>specialist</u> .
