Direct deposit is *safe* because your benefit payment is automatically deposited into your bank account – no more worrying about lost or stolen checks or delays caused by mail service.

Direct deposit is *fast* because no matter if you are sick or away from home, your check is still deposited into your account. No more standing in long bank lines or waiting for your check to clear.

Direct deposit is *easy* because your benefit payment is deposited into your checking or savings account on time, correctly and confidentially.

Please take a few minutes and complete the form on the back so you can take advantage of the benefits of Direct Deposit.
