

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-877-734-6995. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider or other underlined terms see the Glossary. You may view the Glossary at [healthcare.gov/sbc-glossary](http://healthcare.gov/sbc-glossary) or call 1-877-734-6995 to request a copy.

| Important Questions  | Answers  | Why This Matters:  |
|--|--|--|
| <b>What is the overall deductible?</b>                             | In-network--Single Plan: \$250 employee<br>Family Plan: \$250 person/\$500 family<br>Out-of-network--Single Plan: \$500 member<br>Family Plan: \$500 person/\$1,000 family         | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| <b>Are there services covered before you meet your deductible?</b> | Yes. In-network <u>preventive services</u> , physician office visits and routine vision exams are some of the services covered before you meet your <u>deductible</u> .            | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="http://healthcare.gov/coverage/preventive-care-benefits">healthcare.gov/coverage/preventive-care-benefits</a>  |
| <b>Are there other deductibles for specific services?</b>          | No.  | You don't have to meet <u>deductibles</u> for specific services.   |
| <b>What is the out-of-pocket limit for this plan?</b>              | In-network--Single Plan: \$2,500 member<br>Family Plan: \$2,500 person/\$5,000 family<br>Out-of-network--Single Plan: \$2,500 member<br>Family Plan: \$2,500 person/\$5,000 family | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> is met.  |
| <b>What is not included in the out-of-pocket limit?</b>            | <u>Preauthorization penalties</u> , <u>premiums</u> , <u>balance-billing charges</u> and health care this <u>plan</u> doesn't cover.   | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .   |
| <b>Will you pay less if you use a network provider?</b>            | Yes. See <a href="http://hpiTPA.com">hpiTPA.com</a> or call 1-877-734-6995 for a list of <u>network providers</u> .  | This <u>plan</u> uses a <u>provider network</u> . You pay less if you use a <u>provider</u> in the <u>plan's network</u> . You pay the most if you use an <u>out-of-network provider</u> and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| <b>Do you need a referral to see a specialist?</b>                 | No.  | You may see a <u>specialist</u> you choose without a <u>referral</u> .   |
