ANNUAL NOTIFICATION WOMEN'S HEALTH AND CANCER-RIGHTS ACT OF 1998

The Employee Painters' Trust is required by federal law to provide you annually with the following notice, which applies to breast cancer patients who elect to have reconstructive surgery in connection with a mastectomy.

Under federal law, group health plans, insurers, and HMOs that provide medical and surgical benefits in connection with a mastectomy must provide benefits for reconstructive surgery, as requested by the patient in consultation with the attending physician for:

- Reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prosthesis and treatment of physical complications at all stages of the mastectomy, including lymph edemas.

This coverage is subject to the Plan's deductibles, coinsurance, or co-payment provisions.

If you have any questions about your Plan's coverage for mastectomies or reconstructive surgery, please contact the Trust Fund Office at (206) 518-9730.

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT OF 1996

Your Health Plan generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

If you have any questions about your Plan's coverage, please contact the Trust Fund Office at (206) 518-9730.
