Finding a Delta Dental In-Network dentist

You can find a Delta Dental In-Network, dentist in your area by visiting [DeltaDentalWA.com](https://www.DeltaDentalWA.com) and using our Find a Dentist tool. Under “Choose Your Network”, scroll down our list of networks and select the **Delta Dental PPO Plus Premier®** network.

The advantages of seeing a Delta Dental PPO Plus Premier® dentist

We encourage you to see a **Delta Dental PPO Plus Premier®** network dentist because they provide services at discounted fees and file all claims paperwork for you. You will also receive a higher level of benefits. We will pay our portion and you’re only responsible for your stated deductibles, coinsurance and/or amounts in excess of the plan maximums.

Visiting your Delta Dental PPO Plus Premier®, In-Network, dentist

Be sure to tell your dentist you’re covered by Delta Dental of Washington and give them your member identification number, plan name and group number.

Visiting an Out-of-Network, dentist

You are not limited to using a Delta Dental network dentist. You may use any licensed dentist. If you choose a out-of-network dentist, you will be responsible to have the dentist complete your claim forms and to ensure that the claims are sent to us. Claim payments will be based on actual charges or our maximum allowable fees for non-network dentists, whichever is less. You’re then responsible for any balance remaining after we pay. Unlike our network dentists, we have no control over non-network dentists’ charges or billing procedures.

Confirmation of Treatment and Cost

If you are considering extensive treatments such as crowns, oral surgery, periodontics or prosthodontics, we recommend you ask your dentist to request a predetermination from us. We will process the request and provide you and your dentist with a Confirmation of Treatment and Cost (Confirmation). The Confirmation will show you what procedures will be covered, an estimate of what Delta Dental of Washington will pay and your expected financial responsibility. Confirmations are based on the treatment plan submitted by your dentist and the covered dental benefits available to you at the time the Confirmation is issued. Confirmations are estimates, not guarantees of payment.
