

## Benefits for safety glasses

Blue Cross Blue Shield of Michigan believes eye health is an important part of maintaining a healthy lifestyle. With Blue Vision, powered by VSP®, you can use your benefits at participating locations to receive prescription safety glasses, allowing you to see clearly and safely when you need it most.

This employee-only benefit is offered at select participating VSP network locations only or the safety frame selection at Visionworks®. Please check with your provider before receiving services to see if they participate.

	Participating VSP network providers	Non-participating network providers
Single vision	100% of approved amount	
Bifocal (includes blended)	100% of approved amount	
Trifocal	100% of approved amount	
Safety frames	Covered-in-full frame from the ProTec Eyewear® Collection or all Safety frames at Visionworks locations, or up to \$65 allowance (member responsible for any cost exceeding the allowance)	Not covered

Frequency and copayment limitations apply. Please reference your plan document.

For more information or to find a participating VSP provider, call 1-800-877-7195 or visit [vsp.com](http://vsp.com), select Go to VSP in your Blue Cross member account, you will be directed to VSP's *Find a Doctor* tool. Within the *Advanced Search* tool, select *ProTec Eyewear* from the product menu to display participating providers near you.
