

## Thanks for Being Part of the VSP Family!

By enrolling in VSP®, it's clear that eye health is important to you. That's great because we love eyes, and we want to help you get the most from your vision coverage.

### Here's a quick overview of the most important info and tips you'll need to know to get started.

#### View your benefits.

We are pleased the IBEW Western Utilities Health & Welfare Fund puts value on vision as shown by their selection of VSP as their vision partner.

Effective January 1, 2025, you get the most out of your benefits when you log in. Go to **vsp.com** and click **Create an Account** to get started. Once you've set up your VSP member account, you can easily view your benefits, including any copays and coverage for things like glasses, contact lenses, and LASIK discounts. The VSP plan covers benefits in-network as referenced in the member benefit summary. Any expenses which exceed the plan allowances are paid for by the member at the time of service.

#### Find an in-network doctor.

It's easy to find an in-network doctor near you by visiting **vsp.com** and selecting **Find a Doctor**.

Plus, you'll maximize your benefits at a Premier Program location, including thousands of private practice doctors and over 700 Visionworks® retail locations nationwide.

#### Schedule your eye exam.

An annual eye exam is an important window into your overall health, which makes it a must-have in your wellness routine. Even if you have 20/20 vision, it's essential to see your eye doctor every year to check your eye health.

#### Save on eyewear and so much more.

As a member, you have access to Exclusive Member Extras, totaling more than \$3,000 in savings. You'll also save on contacts, glasses, and sunglasses when you use your benefits on **eyeconic.com**®—the VSP preferred online retailer.

### Visit **vsp.com** today to access your personalized benefits!
