March 30, 2023

To: All Participants

On January 30, 2023, the Biden Administration announced that the COVID-19 National Emergency will end on May 11, 2023. Following the end of the National Emergency, all Plan deadlines will once again run, consistent with the rules described in the summary plan description ("SPD"), on July 11, 2023. This means that you must submit any claim for benefits or appeal any denial of benefits by the deadlines described in your SPD.

As a reminder, beginning in March 2020, all Plan deadlines were suspended for the shorter of one year or the end of the National Emergency plus 60 days (referred to as the "Outbreak Period"). With the end of the National Emergency announced, the Outbreak Period will end July 11, 2023. Any deadline that is currently suspended, and that has not yet hit its one-year extension, will begin running on July 11, 2023.

If you have any questions regarding the deadline extensions or the changes described in this notice, contact the Fund Office (800) 700-6756.

Sincerely,
The Board of Trustees of the
Indiana State Council of Carpenters Pension Fund
