

## See a Brighter Future

*Schedule an Eye Exam*  
Here's how...

### Visit us online

Go to [heritagevisionplans.com](http://heritagevisionplans.com) and click on "Find a Provider" in the top navigation bar.

### Search for your provider

Select your network from the drop down menu and enter your address or zip code to search providers near you.

### Make your appointment

Select the location most convenient for you and either call or make an appointment online at a participating provider.

## YOU DESERVE MORE

As a Heritage Vision Plans member, your vision plan offers benefits to save you money on eye exams, prescription eyewear, and sunglasses. Whether you need prescription sunglasses for sunny days or new everyday eyewear, just visit an in-network provider with your prescription to start saving today. Ensure you can fully enjoy everything the world has to offer. For any benefit-related inquiries, please contact Heritage Vision Plans Customer Service Center.
