2027 Medicare Advantage Plan Changes

BCBSM Medicare Plus Blue PPO and HAP Senior Plus will be the only Medicare Advantage plans offered in 2027. If you are enrolled in Humana, BCN, or Priority Health, choose a new medical plan or the HRA by the deadline, or you will be enrolled in BCBSM Medicare Plus Blue PPO.

If you are making changes for the 2027 Benefit Year, please return the following to BeneSys postmarked no later than **November 27, 2026**.

- Enclosed 2027 Enrollment Form. Fill in information completely. You must list your dependents, including your spouse if applicable. **Select your full 2027 elections on the form which includes Medical, Dental and Vision. If you do not select, you will not have that benefit for 2027 even if you had it for 2026 because you are submitting a new enrollment form.**

- If you are adding a spouse to coverage, you must send a copy of your Marriage Certificate with your Enrollment Form.

- If you are adding a dependent to coverage you must send a copy of their Birth Certificate with your Enrollment Form.

- If you are eligible for the increased HRA benefit due to a household income of less than $75,000, you are required to submit a 2025 Federal Tax Return Transcript for Income Verification and 2025 Form 1095-A to verify coverage through a public exchange with your Enrollment Form.
