## II. Financial Statement December 31, 2022 Presentation – Spencer Tawa

Mr. Tawa presented the results of the Audit for December 31, 2022. He stated that the Trust's financial statements present fairly, in all material respects, the fiduciary net position of the City of Detroit General Retiree Health Care Trust as of December 31, 2022, and the changes in its fiduciary net position for the year then ended, in accordance with accounting principles generally accepted in the United States of America. Plante Moran has issued an unmodified opinion dated April 27, 2023, which was about a week earlier than last year. The net position of the VEBA is \$190.4M which is a decrease from last year because of a decrease in fair value of investments. Mr. Tawa went on to state that there were no material weaknesses found and no significant deficiencies. There were no difficulties or disagreements with management in performing the audit. There are no recommendations and no unrecorded possible adjustments.

**Motion** was made by Trustee Wise-Johnson and seconded by Trustee Gayney to review and approve the Financial Statement as of December 31, 2022, as presented. **Motion** passed unanimously.
