## Benefits-at-a-Glance

January 01, 2026 - December 31, 2026

**To join BCN Advantage<sup>SM</sup> HMO-POS, you must have both Medicare Part A and Medicare Part B and live in our group service area.**

The benefit information provided is a summary of what we cover and what you pay. Contact the plan for more information. Limitations, copayments, and restrictions may apply. Benefits and copayments/coinsurance may change on January 1 of each year. You can contact the plan by calling Customer Service at 1-800-450-3680, 8 a.m. to 8 p.m. Eastern, Monday through Friday, with weekend hours Oct. 1 through March 31. TTY users should call 711. To get a complete list of services we cover, call Customer Service and ask for the *Evidence of Coverage*.

Payment amounts are based on the Blue Care Network approved amount, less any applicable deductible and/or copay amounts required by the plan. Services must be provided or arranged by the member's primary care physician or health plan. The formulary, provider network, and pharmacy network may change at any time. You will receive notice when necessary. \*Some in-network specialists may need to confirm with your primary care physician that you need specialty care. Your PCP is the best resource for coordinating your care and can help you find an in-network specialist.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies. Visit our online search tool at [www.bcbsm.com/pharmaciesmedicare](http://www.bcbsm.com/pharmaciesmedicare) to find a network pharmacy near you. You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website at [www.bcbsm.com/formularymedicare](http://www.bcbsm.com/formularymedicare).

Because there is no deductible for the plan, this payment stage does not apply to you.

## Phase 2: The Initial Coverage Stage

### Phases 3: The Catastrophic Stage

You enter the Catastrophic Coverage stage when your total out-of-pocket costs have reached the \$2,100 limit for the calendar year. Once you are in the Catastrophic Coverage Stage, you will stay in this payment stage until the end of the calendar year.

During this payment stage, the plan pays the full cost for your covered Part D drugs. You pay nothing. For more information about your costs in these stages, look at Chapter 6, Section 6 in the Evidence of Coverage online at [www.bcbsm.com/medicare](http://www.bcbsm.com/medicare).

If you want to know more about the coverage and cost of Original Medicare, look in your current **"Medicare & You"** handbook.
