

The HAP Member Discounts Mobile App  
**Download. Save money. Get healthy.**

# City of Detroit Retirees

## HAP Member Discounts

As a HAP member, you get more than just a great health plan. We've revamped our discount program to do even more to help you live a healthy lifestyle.

You'll still get valuable money-saving discounts on fitness, nutrition and wellness. But, now, there'll be even more of them. And more will be added more frequently.

You simply show your HAP ID card or use our HAP Member Discounts app. The app will send you alerts when you're near a qualifying discount. You can customize your preferences so the alerts are personalized to your individual interests.

To begin saving:

1. Download the **HAP Member Discounts** app in Apple's iTunes or Google's Play app store.

2. Log in to your [hap.org](http://hap.org) account and select *HAP Member Discounts* from the Member Perks menu.
3. Get the mobile app access code.
4. Open the HAP Member Discounts app and enter the access code.
5. View the discount you'd like to use and begin saving.

Learn more and view the current list of discounts by visiting [hap.org/member-discounts](http://hap.org/member-discounts).
