## **Direct Deposit** **The BEST way to receive your Pension Benefit**

### **And here's why...**

Direct deposit is *safe* because your benefit payment is automatically deposited into your bank account – no more worrying about lost or stolen checks or delays caused by mail service.

Direct deposit is *fast* because no matter if you are sick or away from home, your check is still deposited into your account. No more standing in long bank lines or waiting for your check to clear.

Direct deposit is *easy* because your benefit payment is deposited into your checking or savings account on time, correctly and confidentially.

Please take a few minutes and complete the form on the back so you can take advantage of the benefits of Direct Deposit. It will take the Fund Office about 45 days after it receives your authorization to set up the procedure with your bank. The first payment after the Direct Deposit is set up or changed is issued as a paper check and mailed to the address on file. This is to confirm the Direct Deposit information before depositing the payment in the account.

Once the Direct Deposit is set up, you will be notified by mail each month that your check is electronically deposited. Please be assured there will be no interruption in your monthly benefit and there is no cost to you.

### **\*\*\*IMPORTANT\*\*\***

If you elect to begin Direct Deposit, please notify the Fund Office *immediately* whenever you change your address so that our records will be updated and you will continue to receive your monthly Direct Deposit statement. If your statement is returned to the Fund Office, your benefit may be suspended until an updated address is provided to the Fund Office.
