June 1, 2025

To: Contributing Employers for Non-Bargaining Unit Employees

From: Board of Trustees of the Central Midwest Regional Council of Carpenters' Welfare Fund

A monthly premium of \$1,250.00 is required to maintain coverage for your non-bargaining unit employees. Currently, this premium is paid one month in advance of the eligibility month, i.e., a premium of \$1,250 per employee for the July work month is paid in June for July eligibility.

Effective July 1, 2025, for administrative reasons a "one month lag" month will be built into the eligibility system. This means:

- Your June payment for the July work month will provide eligibility for July (i.e., no change).
- Your July payment of \$1,250 per employee will provide eligibility for August and September (i.e., one month's premium will provide two months of eligibility for this payment only).
- Eligibility will then continue as follows:

Work Month of:	For which Premiums are received in:	Provide Eligibility for:
August	September	October
September	October	November
October	November	December
November	December	January
December	January	February
January	February	March
February	March	April
March	April	May
April	May	June
May	June	July
June	July	August
July	August	September
