Important Notice from the Ohio Carpenters' Health Plan About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Ohio Carpenters' Health Plan and about your option under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
 2. Ohio Carpenters' Health Plan has determined that the prescription drug coverage offered by the Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Ohio Carpenters' Health Plan coverage will be affected. Current benefits are provided by Express Scripts as follows:

Employer Group Waiver Plan

An Employer Group Waiver Plan (“EGWP”) may be available to participants retiring under the Cleveland Hospitalization Fund or Southwest Ohio Carpenters Health Plan, and continuously participating in the Plan as Medicare Eligible Retirees. The EGWP is available to all persons retiring after January 1, 2013 who are Medicare eligible. As of January 1, 2021, Participants who did not have retiree coverage under the Ohio Carpenters’ Health and Welfare Plan (Niles) in 2012 and elected coverage under a fully-insured Prescription Drug Plan (PDP) were transferred to this coverage also.

More information about prescription drug coverage is available by calling Express Scripts at (866) 685- 2792.	Members Participating in the EGWP		Limitations & Exceptions
	Generic drugs	\$10 copay	Dollar amounts shown are for prescriptions filled at a pharmacy for a 31-day supply. Certain over-the- counter medications and supplements covered with a prescription. Immunizations are available at pharmacy. Some drugs are available in a 90-day supply from pharmacies for a higher cost per prescription. Mail-order is also available for a 90-day supply of maintenance drugs. Mail-order copays are less than 90-day pharmacy copays.
	Preferred brand drugs	\$30 copay	
	Non-preferred brand drugs	\$75 copay	
	Specialty drugs	\$100 copay	

If you do decide to join a Medicare drug plan and drop your current Ohio Carpenters’ Health Plan coverage, be aware that you and your dependents may only be able to get this coverage back if certain conditions are met. Please contact the Fund Office to review your options, prior to dropping your coverage.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Ohio Carpenters’ Health Plan and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
