Coverage Examples/Questions and Answers

The coverage examples on the last two pages of the SBC show how the Fund might cover medical care for three specific scenarios, and address frequently asked questions regarding coverage examples. The examples show what the Fund would pay and what the patient would pay based on a common set of assumptions. It is important to note that these are examples only. They should not be used to estimate your actual costs under the Plan.

For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary/ or call (855) 837-3528 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-Network: $1,750/individual / $3,500/family Out-of-Network: $3,500/individual / $7,000/family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay.
Are there services covered before you meet your deductible?	In-Network Wellness & Preventive Services and LiveHealth Online Doctor Visit are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply.
Are there other deductibles for specific services?	No.	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	In-Network – $7,350/individual / $14,700/family Out-of-Network – $10,000/individual / $20,000/family	The out-of-pocket limit is the most you could pay in a year for covered services.
What is not included in the out-of-pocket limit?	Premiums, balance billing charges, non-network cost sharing, health care this plan doesn't cover, charges in excess of reasonable and customary and penalties for failing to obtain preauthorization for services.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See www.anthem.com or call (800) 810-BLUE for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
