Important Questions	Answers	Why This Matters:
<b>What is the overall <a href="#">deductible</a>?</b>	<b>In-Network:</b> \$500/individual or \$1,000/family <b>Out-of-Network:</b> \$1,000/individual or \$2,000/family	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
<b>Are there services covered before you meet your <a href="#">deductible</a>?</b>	<b>In-Network</b> Wellness & <a href="#">Preventive Services</a> , LiveHealth Online Doctor Visit, <a href="#">Prescription Drugs</a> , PPO or Premier Dental Services and Vision Benefits are covered before you meet your <a href="#">deductible</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply.
<b>Are there other <a href="#">deductibles</a> for specific services?</b>	Yes. For <a href="#">Non-Participating</a> Dentists, the <a href="#">deductible</a> is: \$50/individual or \$100/family	You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for these services.
<b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b>	<b>Medical:</b> <a href="#">In-Network</a> – \$3,500/individual or \$7,000/family <b>Prescription:</b> \$4,400/individual or \$8,800/family Unlimited for <a href="#">out-of-network</a> .	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , the overall family <a href="#">out-of-pocket limit</a> must be met.
<b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>	<a href="#">Premiums</a> , <a href="#">balance billing</a> charges, <a href="#">non-network cost sharing</a> , health care this <a href="#">plan</a> doesn't cover, charges in excess of <a href="#">reasonable and customary</a> and penalties for failing to obtain <a href="#">preauthorization</a> for services.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
<b>Will you pay less if you use a <a href="#">network provider</a>?</b>	Yes. See <a href="http://www.anthem.com">www.anthem.com</a> or call (800) 810-BLUE for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
<b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b>	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
