TO: ACTIVE PARTICIPANTS IN CALIFORNIA

RE: JULY 1, 2026 OPEN ENROLLMENT – MEDICAL AND DENTAL COVERAGE

The Board of Trustees has completed negotiations with the HMO and dental carrier for rates effective July 1, 2026, through June 30, 2027. The enclosed page shows the charge-off rates effective July 1, 2026, for each combination of medical and dental options.

The Board had difficult negotiations with Kaiser resulting in higher annual medical costs. Due to the result of these negotiations, the Trustees have elected to increase the annual subsidy in California to help with the increased costs of medical care. Please reference the Charge-Off sheet for the two Options and their respective subsidies.

## **OPEN ENROLLMENT**

If you would like to change your coverage effective July 1, 2026, please complete the enclosed Change of Coverage Request form *as well as the necessary enrollment forms*. **You will not be allowed to change your coverage unless you return the completed HMO or dental plan enrollment application to the Fund Office by Friday, June 26, 2026.** Completed forms may be faxed to 925-462-0108.

## **MEDICAL**

With the exception of emergency treatment, no benefits are available for services and supplies provided by doctors and hospitals not contracted with Kaiser. Attached is a brief summary of benefits for your reference. However, you should consult the *Evidence of Coverage* from Kaiser for complete information about benefits and limitations.

## **DENTAL**

The Standard Dental Plan is an indemnity plan, which allows you to use the services of any dentist of your choice. The plan covers a portion of the allowable dental expenses according to its schedule of usual and customary charges. You must file a claim form to receive benefits.

## **VISION**

There are no changes to the vision plan effective July 1, 2026.

We remind you that dependent changes, i.e., marriage, divorce, birth of a child, or a child reaching the age of 26, must be reported to the Trust Fund office **within 30 days of occurrence** to ensure a proper eligibility effective date. Please note that proper proof of dependent status must be provided to the Trust Fund office.

**Receipt of this notice does not constitute a determination of your eligibility. If you wish to verify eligibility, or if you have any questions regarding the Plan changes, please contact the Fund Office.**

*In accordance with the reporting requirements of the Employee Retirement Income Security Act of 1974, as amended, this document serves as your Summary of Material Modifications to the Plan.*

## tips for filling out this form

### To Enroll

Missing, incomplete or illegible information can cause delays in adding new employees to the system and could create errors in billing. To ensure proper handling of your enrollment forms, please make sure the following areas are completed:

- **Policy Name and Group Number** – to make sure plan members are added to the correct group.
- **Department/Division Numbers** – so plan members are added in the proper locations, and appear in the appropriate section on the billing if the group has multiple departments or divisions.
- **Social Security Numbers** – the most important identifier for plan members when calling in with claims or administrative questions. Please double check to make sure your social security number is accurate and written clearly.
- **Full-time Employment Date** – needed so the correct effective date is calculated for new members.
- **Class Number** – needed when the plan has more than one class of employees.

### To Change

**Changing Dependent Codes** – When adding or dropping dependents, please note whether this change is because of a “life event” or for some other reason. (Examples of life events: marriage, birth of a child, divorce . . . ) Please remember to include the date of the event. Late entrant status will be applied if a life event is not included. Be specific when changing status so all dependents who are still eligible will be covered.

### Imaging

In order to provide better service, our administration system utilizes image technology. In the image environment, we scan your enrollment forms into our system, making them easier and faster to access. Better quality forms help us to process your enrollments faster. Unfortunately, certain forms are difficult or impossible to scan. The following list of helpful hints will make your forms easier to scan:

#### Do:

- 1) submit clear, legible enrollment forms.
- 2) underline or circle important information.
- 3) use blue or black ink.

#### Don't:

- 1) submit dark copies as they appear black on imaging.
- 2) highlight, which blackens the area so it cannot be read.
- 3) write on the top or bottom margins. This information is not always captured on the image system.

**Date:** June 2026  
**To:** Kaiser of California Active and Non-Medicare Retiree Participants and Dependents (including COBRA beneficiaries)  
**From:** Board of Trustees  
**Subject:** Summary of Benefits and Coverage (SBC)

---

**This information is VERY IMPORTANT to you and your dependents.  
Please take the time to read it carefully**

Attached you will find a document called a **Summary of Benefits and Coverage**, commonly referred to as a **“SBC”**. This SBC provides a brief overview of the medical plan benefits by **Kaiser of California**. You will want to review this and share it with your other family members who enroll for coverage.

As required by law, across the US, insurance companies and group health plans like ours are providing plan participants with a consumer-friendly SBC as a way to help understand and compare medical benefits.

## What the SBC Contains

Each SBC contains concise medical plan information, in plain language, about benefits and coverage, including, what is covered, what you need to pay for various benefits, what is not covered and where to go for more information or to get answers to questions. Government regulations are very specific about the information that can and cannot be included in each SBC. Plan sponsors are not allowed to customize very much of the SBC. An SBC includes: a health plan comparison tool called **“Coverage Examples”**, a link to a **“Glossary”** of common terms used in describing health benefits, and **Website and toll-free phone numbers** you can contact if you have questions or need assistance with benefits.

## When You Will Receive an SBC

The SBC will be provided to you at important points in the enrollment process, such as when you apply for coverage, with each annual open enrollment, and at any time you want, upon request. Distribution of the SBC is required by law in accordance with Affordable Care Act (ACA).

## 60-Day Notice for Material Modification of Plan Benefits

If material change is made to a medical plan during the plan year that is not reflected in the most recent Summary of Benefits and Coverage (SBC), a notice will be provided to you at least 60 days before the effective date of the change. A material change is any change that would be considered by an average participant to be an important enhancement or reduction in benefits. This 60-day notice applies to changes that become effective during the plan year. Changes made at the beginning of a new plan year do not require 60-day advance notice.

\* \* \* \* \*

Please keep this important notice with your Plan Document/Summary Plan Description (SPD) for easy reference to all Plan provisions. Should you have any questions, please contact Kaiser 800-278-3296.

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage see <https://kp.org/plandocuments> or call 1-800-278-3296 (TTY: 711). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at [www.healthcare.gov/sbc-glossary/](http://www.healthcare.gov/sbc-glossary/) or call 1-800-278-3296 (TTY: 711) to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall <a href="#">deductible</a> ?	\$0	See the Common Medical Events chart below for your costs for services this <a href="#">plan</a> covers.
Are there services covered before you meet your <a href="#">deductible</a> ?	Not Applicable.	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">deductibles</a> for specific services?	No.	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	\$3,000 Individual / \$6,000 Family	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , health care this <a href="#">plan</a> doesn't cover, and services indicated in chart starting on page 2.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.kp.org">www.kp.org</a> or call 1-800-278-3296 (TTY: 711) for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	Yes, but you may self-refer to certain <a href="#">specialists</a> .	This <a href="#">plan</a> will pay some or all of the costs to see a <a href="#">specialist</a> for covered services but only if you have a <a href="#">referral</a> before you see the <a href="#">specialist</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.

## Important Employee Benefit Program Notices

### MEDICARE NOTICE OF CREDITABLE COVERAGE REMINDER

If you or your eligible dependents are currently Medicare eligible or will become Medicare eligible during the next 12 months, you need to be sure that you understand whether the prescription drug coverage that you elect under the Medical Plan options available to you are creditable with (as valuable as) Medicare's prescription drug coverage.

To find out whether the prescription drug coverage under the medical plan options offered by the Fund are creditable you should review the Plan's Medicare Part D Notice of Creditable Coverage available from the Trust Fund Office at (925) 398-7056.

**IMPORTANT:** After the open enrollment period is completed, (or, if you are a new hire, after your initial enrollment election period is over), generally you **will not** be allowed to change your benefit elections or add/delete dependents until next years' open enrollment, unless you have a Special Enrollment Event as outlined below:

- **Special Enrollment Event:**

**Loss of Other Coverage Event:** If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must **request enrollment within 31-days** after your or your dependents' other coverage ends (or after the employer stops contributing towards the other coverage).

**Marriage, Birth, Adoption Event:** In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must **request enrollment within 31-days** after the marriage, birth, adoption, or placement for adoption.

**Medicaid/CHIP Event:** You and your eligible dependents may also enroll in this plan if you (or your dependents):

- have coverage through Medicaid or a State Children's Health Insurance Program (CHIP) and you (or your dependents) lose eligibility for that coverage. However, you must request enrollment within 60 days after the Medicaid or CHIP coverage ends.
- become eligible for a premium assistance program through Medicaid or CHIP. However, you must request enrollment within 60 days after you (or your dependents) are determined to be eligible for such assistance.

To request special enrollment or obtain more information, contact Trust Fund Office at (925) 398-7056.

## **IMPORTANT REMINDER TO PROVIDE THE PLAN WITH THE TAXPAYER IDENTIFICATION NUMBER (TIN) OR SOCIAL SECURITY NUMBER (SSN) OF EACH ENROLLEE IN A HEALTH PLAN**

Employers are required by law to collect the taxpayer identification number (TIN) or social security number (SSN) of each medical plan participant and provide that number on reports that will be provided to the IRS each year. Employers are required to make at least two consecutive attempts to gather missing TINs/SSNs.

If a dependent does not yet have a social security number, you can go to this website to complete a form to request a SSN: <http://www.socialsecurity.gov/online/ss-5.pdf>. Applying for a social security number is FREE.

If you have not yet provided the social security number (or other TIN) for each of your dependents that you have enrolled in the health plan, please contact Trust Fund Office at (925) 398-7056.

## **PRIVACY NOTICE REMINDER**

The Health Insurance Portability and Accountability Act (HIPAA) of 1996 requires health plans to comply with privacy rules. These rules are intended to protect your personal health information from being inappropriately used and disclosed. The rules also give you additional rights concerning control of your own healthcare information.

This Plan's HIPAA Privacy Notice explains how the group health plan uses and discloses your personal health information. You are provided a copy of this Notice when you enroll in the Plan. You can get another copy of this Notice from your HMO or the Trust Fund Office at (925) 398-7056.

## **WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998 (WHCRA) ANNUAL NOTICE REMINDER**

You or your dependents may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles, copayment and coinsurance applicable to other medical and surgical benefits provided under the various medical plans offered by the Fund. For more information on WHCRA benefits, contact the Trust Fund Office at (925) 398-7056.

## **PATIENT PROTECTION RIGHTS OF THE AFFORDABLE CARE ACT**

### **Designation of a Primary Care Provider (PCP):**

The Kaiser HMO and the UnitedHealthcare (UHC) HMO generally require the designation of a primary care provider (PCP). You have the right to designate any primary care provider who participates in the network and who is available to accept you or your family members. Until you make this designation, the HMO designates one for you. For children, you may designate a pediatrician as the primary care provider. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact the HMO.

### **Direct Access to OB/GYN Providers:**

You do not need prior authorization (pre-approval) from the Trust Fund, Kaiser, UHC or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological (OB/GYN) care from an in-network health care professional who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the HMO.

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2026. Contact your State for more information on eligibility –
