This is a summary of the annual report of the Pacific Coast Shipyards Metal Trades Trust Fund, EIN: 94-1248513 for the fiscal year ended March 31, 2022. The annual report has been filed with the Employee Benefits Security Administration, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

Insurance Information

The plan has contracts with Kaiser Foundation Health Plan, Inc., Kaiser Foundation Health Plan of the Northwest, Kaiser Foundation Health Plan of Washington, Vision Service Plan, United Healthcare Insurance Company, United Healthcare of Washington, Inc., United Healthcare of Oregon, Inc., United Healthcare of California, Standard Insurance Company, Dental Health Services, and Sun Life Assurance Company of Canada to pay certain medical, vision, life, prescription and dental claims incurred under the terms of the plan. Premiums paid for the plan year ending March 31, 2022 totaled \$2,637,207.

Because the contracts with Standard Insurance Company are “experience-rated” contracts, the premium costs are affected by, among other things, the number and size of claims. Of the total insurance premiums paid for the plan year ending March 31, 2022, the premiums paid under such “experience-rated” contracts totaled \$128,226 and the total of all benefit claims paid under the experience-rated contracts during the plan year was \$90,933.

Basic Financial Statement

The value of plan assets, after subtracting liabilities of the plan, was \$7,333,420 as of March 31, 2022, compared to \$7,395,449 as of April 1, 2021. During the plan year, the plan experienced a decrease in its net assets of \$62,029. This decrease includes unrealized appreciation or depreciation in the value of plan assets; that is, the difference between the value of the plan’s assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. During the plan year, the plan had total income of \$2,731,494, including employer contributions of \$2,293,180, employee contributions of \$318,735, earnings from investments of \$76,262, and other income of \$43,317.
