June 2024

**To:** Contributing Employers and Apprentices  
**From:** MCA Detroit and Pipefitters Local 636  
**Re:** Employer Contribution Increase for Apprentices

---

**Effective June 3, 2024, the Employer contribution to the Pipefitters Local 636 Defined Contribution Fund for all Apprentices has been increased from \$0.80 to \$0.95 per hour worked.** Below is an explanation of how this \$0.95 will be credited, as part of this increase is intended to cover administrative requirements:

- Effective for hours worked on or after June 3, 2024, through September 29, 2024 (i.e., June– September work months), \$0.80 per hour will be credited to the accounts of First through Seventh Period Apprentices per current policies and \$0.15 will be credited to general fund assets.
- Effective for hours worked on or after June 3, 2024, \$0.95 per hour will be credited to the accounts of Eighth through Tenth Period Apprentices. However, because of timing issues, \$0.80 per hour will be credited to the Apprentice accounts per current policies and the additional \$0.15 per hour will be credited to the Apprentice accounts as soon as administratively feasible, not to exceed 90 days after receipt.
- Effective for hours worked on or after September 30, 2024, \$0.95 per hour will be credited to the accounts of all Apprentices, First through Tenth Period, per current policies.

**To reiterate, the Employer contribution to the Pipefitters Local 636 Defined Contribution Fund for ALL Apprentices has been increased from \$0.80 to \$0.95 per hour worked on or after June 3, 2024.** The above is simply an explanation of how this amount will be credited.
