

Pipefitters Local No. 636 Defined Contribution Pension Plan

It's easy to select your investments in the Pipefitters Local No. 636 Defined Contribution Pension Plan.

Indicate below how you would like your contributions invested. Both contributions made by you and by your employer will be allocated according to your selections below. The percentages must be whole numbers, not fractions, and total 100%. You can create your own portfolio from any combination of the available funds. If you do not select investments for your contributions, these dollars will be invested in the America Century Strategic Allocation Moderate Institutional Fund – i.e., the Plan's default fund.

PLEASE COMPLETE: Please invest my Existing Monies Future Contributions Both as indicated below.

<input type="text"/> % American Century Strategic Alloc-Aggressive Inst	<input type="text"/> % Harbor International
<input type="text"/> % American Century Strategic Alloc-Conserv Inst	<input type="text"/> % PIMCO Total Return II – Inst
