

Understanding Your Benefits

RI Carpenters' Health Plan Plan B

■ **Deductibles**

You pay the following amounts each year before your health plan starts to pay toward the cost of covered services:

- \$2,000 per individual plan;
\$4,000 per family plan in network
- \$2,000 per individual plan;
\$4,000 per family plan out of network
- The deductible has a hybrid calculation which means that all deductible amounts paid count toward the family deductible amount, but the individual will never pay more than their individual deductible amount

■ **Out-of-pocket Limits**

The following is the maximum you would pay out of pocket for essential health benefits each year (including medical and pharmacy copayments, deductibles and coinsurance).

- \$4,000 per individual plan;
\$8,000 per family plan in network
- \$4,000 per individual plan;
\$8,000 per family plan out of network
- The out-of-pocket limit has a hybrid calculation which means that all out-of-pocket amounts paid count toward the family out-of-pocket limit, but the individual will never pay more than their individual out-of-pocket amount.

■ **Please note:**

The deductible and out-of-pocket limits are separate for in-network and out-of-network services.
