June 2020

SUMMARY OF MATERIAL MODIFICATION

****IMPORTANT NOTICE****

TO: Participants in the Roofers Local 149 Security Benefit Fund

RE: MDLIVE Telemedicine for Active and Retiree Participants

Dear Participant:

Effective June 1, 2020, telemedicine services through MDLIVE will be available to Active and Retiree participants who are not on Medicare, to assist during this difficult time. As a reminder, those Retired participants who are covered under the Humana Medicare Advantage Plan, already have access to telemedicine under MDLIVE.

All Participants may now elect to access medical care via MDLIVE telemedicine for medical situations as an alternative to making an appointment with their regular physician, visiting an urgent care facility or emergency room. Visit a doctor by phone, by secure video or use the MDLIVE App anywhere, anytime, and from the comfort of your own home, or while out of town. Participants can download the MD Live app from their smart phone or personal computer and access physician consultations. MDLIVE can be accessed through any of the following:

MDLIVE.com/roofers149

Call toll-free to (888) 850-3896

Text roofers149 to MDLIVE (635483)

Coverage is provided at 100%, there is no deductible or co-pay when participants access care through MD Live.

For more information on MD Live coverage, or any of the healthcare benefits available to you under the Roofers Local 149 Security Benefit Fund, please contact the Benefits Office at (248) 641-4949 or (888) 868-6411. Please keep this Notice with your Summary Plan Description.

Sincerely,

The Board of Trustees of the
Roofers Local 149 Security Benefit Trust Fund
