**Please read this Notice carefully as it contains important information regarding changes to your benefits effective September 1, 2018.**

### **New Vision Benefits:**

We are happy to announce that effective September 1, 2018, the Fund has contracted with Vision Service Plan (VSP) to provide vision benefits to its participants. Enclosed please find a summary of your new vision benefits.

Please be advised that if you visit an out-of-network Provider for vision services, you will be responsible for paying the entire cost of that service out-of-pocket. You will be able to submit the cost to VSP for reimbursement up to the specified amount listed on the bottom of the enclosed summary.

In addition, new ID cards will also be issued to you in a separate mailing.

If you have any questions about your vision benefits you can call VSP directly at (800) 877-7195 or visit [www.vsp.com](http://www.vsp.com). Of course, you may always call the Fund Office at (248) 641-4949 or (888) 868-6411. Please keep this Notice with your Summary Plan Description (SPD).
