Important Questions	Answers	Why This Matters:
What is the overall deductible ?	For network providers , None Individual or family. For out-of-network providers , \$1,000/Individual or \$3,000/family .	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible ?	Yes. Preventive care is covered before you meet your deductible .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet for deductibles specific services.
What is the out-of-pocket limit for this plan ?	For network providers , medical benefits \$6,000/Individual or \$12,000/Family and prescription drug benefits \$600/Individual or \$1,200/Family . For out-of-network providers , medical & prescription drug benefits Individual or Family No Limit .	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit ?	Copayments for certain services, premiums , balance-billing charges, out-of-pocket expenses for DME, chiropractors and acupuncture, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.aetna.com or call Aetna at 1-866-694-3258 or the Trust Fund Office at 1-925-398-7044 for a list of PPO network providers .	This plan uses a provider network through Aetna . You will pay less if you use a provider in the plan's PPO network . You will pay the most if you use an Non-PPO out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
