Notice of Application for Amortization Extension Plan: Toledo Area Sheet Metal Workers Pension Plan

Part I. Plain Language Explanation

This notice is to inform you that the Toledo Area Sheet Metal Workers Pension Plan is requesting a ruling from the IRS to extend certain amortization period(s).

Why is the pension plan sending you this notice? Pension plans are required by law to send out notices to affected parties when certain events happen, such as when the plan requests a ruling from the IRS for certain purposes.

What the notice does: The notice alerts you to a ruling the pension plan is requesting from the IRS. **You are not required to take any action at all.** The reason for the notice is to tell you about an action being taken by the pension plan, and to inform you that you have a right to comment on the ruling the plan is requesting from the IRS. If you wish, you may comment to the IRS on the ruling request, in accordance with the terms stated in Technical Provisions, Part II below. Or, if you wish, you may take no action at all. Also, Information about Funded Status of Plan, Part III, explains how you may obtain more information regarding the plan from the plan administrator, or from the Department of Labor.

What kind of ruling is the plan requesting? The plan's participating employers are required to pay sufficient contributions to the retirement fund, over a specified period of years, to bring the level of funding equal to the plan's long term obligations. The ruling request is to extend the period of years required to fund the obligations.

What the notice does not do: This notice does not obligate you to do anything. It gives you an opportunity to comment if you wish. This notice does not enable the IRS to explain your benefits, or to adjust them in any way. The IRS does not maintain data about your benefits under the plan. If you wish to obtain information about your benefits, you should ask the plan administrator. The notice does *not* allow the IRS to give you information about a requested ruling. Disclosure laws prohibit the IRS from giving out such information. However, see Information about Funded Status of Plan, Part III below, for an explanation of your right under § 101(k) of the Employee Retirement Income Security Act of 1974, as amended (ERISA), to request information from the plan administrator that is relevant to the amortization extension application.

What the requested ruling would not do: The ruling the pension plan is requesting would not change your accrued benefit. If the IRS were eventually to decide in favor of the requested ruling, the ruling would neither reduce your accrued benefit nor eliminate the obligation of the contributing employers to continue to fund benefits. If the ruling request is approved by the IRS, your pension plan remains obligated to pay your benefits as determined under the plan documents.

Part II. Technical Provisions

This notice is to inform you that an application for an extension of an amortization period for unfunded liability under § 431(d) of the Internal Revenue Code (Code) and § 304(d) of ERISA will be submitted by Kevin Boeke to the Internal Revenue Service (IRS) for the Toledo Area Sheet Metal Workers Pension Plan for the plan year beginning May 1, 2015.

The IRS will grant an automatic extension if the plan's actuary certifies that the plan's funded status meets certain standards described in § 431(d)(1) of the Code. The IRS may also grant an alternative extension if it determines (A) that the extension would carry out the purposes of ERISA and the Pension Protection Act of 2006 and would provide adequate protection for participants, and (B) that failure to permit the extension would result in substantial risk to the continuation of the plan, and would be adverse to the interests of the plan participants in the aggregate. The plan is applying for (check one or both, as appropriate):

an automatic extension, and/or

an alternative extension.

The IRS has received a copy of this notice. The IRS will consider any relevant information that it receives concerning the application for an extension. Any additional information that you may have should be submitted using the attached Comment and IRS Acknowledgment Sheet. You may send this information to the following address:

If you intend to submit comments, any such information should be submitted as soon as possible after you receive this notice. Due to the disclosure restrictions of § 6103 of the Code, the IRS cannot provide any information with respect to the extension application itself. In particular, the IRS cannot disclose that it has received such a ruling request. As a result, the only response the IRS can make to any information you send is an acknowledgement that it has received your comments. Therefore, the IRS will respond to your letter only if you include a completed acknowledgement sheet as given below in Part IV of this notice.

Part III. Information about Funded Status of Plan

As required by § 104(b)(2) and (4) of ERISA, the plan administrator must furnish a copy of the latest annual plan report upon written request and make the annual report available for inspection at its principal office, which is located at BeneSys, Inc, 700 Tower Drive, Suite 300, Troy, MI 48098. Under § 101(k)(1) of ERISA, any application for an extension of the amortization period under § 304(d) of ERISA or § 431(d) of the Code (including the application for extension described in this notice) and the determination made by the IRS with respect to such application may be obtained upon request by writing to the plan administrator at the above address. Such documents must be furnished by the plan administrator no later than 30 days after receipt of the written request. Section 502(c)(4) of ERISA grants the Department of Labor the authority to assess civil penalties not to exceed \$1,000 per day for each violation of § 101(k).

As permitted under § 101(k) of ERISA, the plan administrator charges 25¢ per page to cover copying, mailing, and other costs of furnishing copies.

In accordance with § 104 of ERISA, annual financial reports for this plan, which include employer contributions made to the plan for any plan year, are available for inspection at the Department of Labor in Washington, D.C.
