Re: Changes to Initial Eligibility Requirements for Apprentices

Date: January 2019 (Effective October 1, 2018)

WHAT IS THIS NOTICE ABOUT?

This Notice discusses changes to the Eligibility Requirements for Apprentices.

HOW DOES THIS NOTICE AFFECT ME?

If you are an Apprentice, the Plan has been amended such that you may now become eligible for benefits under the S.U.B. Fund as of the first day of the calendar month following the date upon which you have earned at least six (6) credits during any preceding period of three (3) consecutive months. A Participant earns credits under the Plan based upon the number of hours for which an Employer contributes to the Fund under the Collective Bargaining Agreement during a calendar month such that one (1) credit is earned for having 32 to 56 hours of contributions and two (2) credits are earned for 57 or more hours of contributions. Notwithstanding, if you are an Apprentice, you must also submit acceptable proof of your class attendance and qualification for State Benefits, as well as having none of your credits previously being cancelled.

QUESTIONS?

If you have any questions regarding this change, please contact the Fund's Office at (800) 851-6024.

Sincerely,

*The Board of Trustees for the Sheet Metal Workers Local 33
Supplemental Unemployment Benefits Fund*
