Effective June 1, 2018, the Board of Trustees is pleased to announce that Ulliance will be your new Employee Assistance Program (EAP) provider. We recognize that our members are our most valuable asset and that an investment in your well-being is a sound investment for everyone.

The Ulliance Life Advisor Employee Assistance Program is designed to help each member and their family deal with the many personal and family issues that we all encounter at some point in our lives. For example, you might need assistance coping with stress or depression, substance use and abuse, learning new parenting skills, or finding a nursing home for a loved one. Ulliance provides many services to meet your needs, including counseling, coaching, crisis intervention, and community resources.

The Life Advisor Employee Assistance Program provides completely **confidential, free assistance** in many areas, including:

- Relationship and family concerns
- Death of a loved one
- Stress, anxiety and depression
- Substance Abuse
- Eldercare or childcare referrals
- Financial or legal referrals

Again, there is no cost to you or your dependents for the Ulliance services which are available **24 hours a day, 7 days a week**.

As noted in the enclosed flyer, the Ulliance toll free number **800-448-8326** is all you will need to reach free, confidential assistance. You can also visit the website, **www.lifeadvisor-eap.com** for more information and a wide variety of resources.
