Important Questions	Answers	Why This Matters:
<u>What is the overall deductible?</u>	<b>\$200 Individual / \$400 Family</b>	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
<u>Are there services covered before you meet your deductible?</u>	<b>Yes</b>	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount (i.e. office visits, prescription drugs). For those services a <u>copayment</u> may apply.
<u>Are there other deductibles for specific services?</u>	<b>\$50 Individual / \$100 Family for Dental services. There are no other specific deductibles.</b>	You must pay all of the costs for <u>non-preventive</u> dental services up to the specific <u>deductible</u> amount before the plan begins to pay for dental services.
<u>What is the out-of-pocket limit for this plan?</u>	<b>Medical \$5,000 Individual/\$10,000 Family Rx \$1,850 Ind / \$3,700 Family</b>	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members on the policy, the overall family <u>out-of-pocket limit</u> must be met before the <u>plan</u> begins to pay.
<u>What is not included in the out-of-pocket limit?</u>	<b>Premiums, balance-billing charges and health care this plan doesn't cover.</b>	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<u>Will you pay less if you use a network provider?</u>	<b>Yes.</b> For a list of preferred providers, visit <a href="http://www.carefirst.com">www.carefirst.com</a> or call 1-800-235-5160.	This <u>plan</u> uses a <u>preferred provider</u> network. You will pay the most if you use a <u>non-preferred provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (balance billing). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<u>Do you need a referral to see a specialist?</u>	<b>No.</b>	You can see the <u>specialist</u> you choose without a referral. You will pay less if you choose a <u>preferred provider specialist</u> .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
