### Ameritas Information

#### We're Here to Help

This plan was designed specifically for the associates of TILE INDUSTRY HEALTH & WELFARE TRUST FUND. At Ameritas Group, we do more than provide coverage - we make sure there's always a friendly voice to explain your benefits, listen to your concerns, and answer your questions. Our customer relations associates will be pleased to assist you 7 a.m. to midnight (Central Time) Monday through Thursday, and 7 a.m. to 6:30 p.m. on Friday. You can speak to them by calling toll-free: 800-487-5553. For plan information any time, access our automated voice response system or go online to [ameritas.com](http://ameritas.com).

#### Dental Health Scorecard

How would you rate your dental health?

In 2016, you can receive your Dental Health Report Card by signing into your secure member account online. Your assessment is based on claims submitted. The report card also offers suggestions if you strive to improve your dental health. Ameritas members can access the personalized report card by going to [ameritas.com](http://ameritas.com), click Account Access in the top right corner and choose the Dental/Vision/Hearing drop down. Select the Secure Member Account link and sign in to see your report.

#### Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

### Rx Savings

Our valued plan members and their covered dependents (even their pets) can save on prescription medications through any Walmart or Sam's Club pharmacy across the nation. This Rx discount is offered at no additional cost, and it is not insurance.

To receive the Walmart Rx discount, Ameritas plan members just need to visit us at [ameritas.com](http://ameritas.com) and sign into (or create) a secure member account where they can access and print an online-only Rx discount savings ID card.

### Eyewear Savings

Ameritas plan members may receive up to 15% off eyewear frames and lenses purchased at any Walmart Vision Center nationwide. Members may also bring in their current vision prescription from any vision care provider and purchase eyewear at Walmart. This savings arrangement is not insurance: it is available to members at no additional cost to their plan premium.

To receive the eyewear savings identification card, Ameritas plan members can visit [ameritas.com](http://ameritas.com) and sign-in (or create) a secure member account. Members must present the Ameritas Eyewear Savings Card at time of purchase to receive the discount.

### Preventive Plus<sup>SM</sup>

With this plan option, benefits for Type 1/Preventive procedures are not deducted from the plan member's annual maximum benefit. This saves the entire annual maximum for the Type 2/Basic and Type 3/Major procedures that are covered by your plan.

### Dental Network Information

To find a provider, visit [ameritas.com](http://ameritas.com) and select **FIND A PROVIDER**, then **DENTAL**. Enter your criteria to search by location or for a specific dentist or practice. California Residents: When prompted to select your network, choose the Ameritas Network found on your ID Card or contact Customer Connections at 800-487-5553.

### Dental Cost Estimator

Ever wonder what a dental procedure usually costs? The answer can be found using the Ameritas group division's Dental Cost Estimator tool located in our Secure Member Account portal.

Members can search by ZIP Code for a specific dental procedure and see fee range estimates for out-of-network general dentists in that area. Of course, we always suggest that members partner with their dentists, so they know what's involved in any recommended treatment plan.

The estimator tool is powered by Go2Dental and uses FAIR Health data that is updated annually. Please note, cost estimates do not reflect discounted rates available through provider networks, and the estimator does not include orthodontic estimates at this time.

In addition, when members are in their Secure Member Account, they can:

- Go paperless with electronic Explanation of Benefits statements and reduce the clutter in their mailboxes
- View their certificate of insurance and specific plan benefits information
- Access value-added extras like the Rx discount ID card

### Worldwide Support

When our members travel abroad, they'll have peace of mind knowing that should a dental or vision need arise, help is just a phone call away. Through AXA Assistance, Ameritas offers its dental and vision plan members 24-hour access to dental or vision provider referrals when traveling outside the U.S.

Immediately after a call is made to AXA, an assistance coordinator assesses the situation, provides credible provider referrals and can even assist with making the appointment. Within 48 hours following the appointment, the coordinator calls the member to find out if additional assistance is needed. If all is well, the case is closed. Then, the plan member may submit a claim to Ameritas for reimbursement consideration based on applicable plan benefits. Contact AXA Assistance USA toll free by calling 866-662-2731, or call collect from anywhere in the world by dialing 1-312-935-3727.

### Language Services

We recognize the importance of communicating with our growing number of multilingual customers. That is why we offer a language assistance program that gives you access to: Spanish-speaking claims contact center representatives, telephone interpretation services in a wide range of languages, online dental network provider search in Spanish and a variety of Spanish documents such as enrollment forms, claim forms and certificates of insurance.

Please note: Cosmetic benefits in an insurance policy may have income tax implications for both employer groups and plan members. For example, the dollar value of the cosmetic benefit may be considered part of an individual's taxable income. For more information concerning the tax ramifications of cosmetic insurance benefits, please consult your legal or tax adviser. For information about the cost of the cosmetic benefit, please contact us.
