NOTICE REGARDING EXPANSION OF TEMPORARY WAIVER OF SUSPENSION OF BENEFITS

January 2026

You were previously notified that effective November 1, 2025, the 166 Plan Trustees adopted the Waiver for Manpower currently in effect under the Plumbers and Pipefitters National Pension. That notice explained that when a Waiver for Manpower **in the jurisdiction of Local 166** is approved by the National Pension Fund, a waiver of the suspension of benefits rules for the same duration, covering the same work or project and the same Retirees will be in effect under the 166 Plan.

Effective January 13, 2026, the Board of Trustees has expanded this temporary waiver of suspension of benefits to also include Waivers of Manpower under any UA collective bargaining agreement. In other words, when a Waiver of Manpower is approved by the National Pension Fund for work under **any** UA collective bargaining agreement, a waiver of the suspension of benefits rules for the same duration, covering the same work or project and the same Retirees will be in effect under the 166 Plan.

The 166 Plan Trustees retain the right to revoke any waiver of the suspension of benefits rules at any time.

If you have questions regarding how this expanded waiver may affect your benefits, please contact the Fund Office for additional information.
