IMPORTANT CHANGES TO YOUR HEALTH AND WELFARE BENEFITS

Dear Retiree:

The Committee who is responsible for the management of the UAW Retirees of the Dana Corporation Trust annually reviews the benefits that it offers to its retirees. It takes into consideration factors which influence the fund assets available to provide benefits such as health care inflation, utilization and investment returns. Based upon that review, effective January 1, 2012, participants will see a slight increase in the amount they pay for their benefits. However, there will not be changes to your current benefit levels. Please carefully read the summary of changes to monthly premiums below:

Required Monthly Premiums: PRE-MEDICARE ELIGIBLE PARTICIPANTS & MEDICARE PARTICIPANTS

Effective January 1, 2012, your monthly premium contribution will be increased as outlined below. Your monthly premium for the new health plan depends upon your Coverage Status as indicated in the following table:

Your method of payment will continue. If you have not already arranged for direct withdrawal, contact the Fund Office and you can avoid the monthly \$5 service charge when paying by check. Please make these payments timely as your coverage is contingent upon receipt of payment each month.
