You can't predict the unexpected, now you don't have to.

Life is fast-paced. Who has time (or wants) to research insurance? Aflac understands that knowing which benefits are right for you isn't always easy. That's why we created *BenExtend*, a new kind of product – one that takes the guesswork out of choosing your benefits. *BenExtend* features commonly-used benefits from three different types of insurance – accident, hospital indemnity and critical illness. You'll get a range of benefits in one simple plan at one straightforward price. And you'll know the benefits are there when you need them – for greater financial security and even greater peace-of-mind.

BenExtend	Critical Illness Benefits	
	Accident Benefits	
	Hospital Indemnity Benefits	
<i>BenExtend</i> combines commonly-used benefits of hospital indemnity, critical illness and accident insurance products into a simple plan design.		

Best of all, Aflac pays cash benefits directly to you, unless otherwise assigned. This means that you will have added financial resources to help with medical costs or ongoing living expenses. Benefits can be used to help with your every day living expenses, like your rent or mortgage, utility bills, groceries and more.

BenExtend plans are designed to help ease the financial stress of a critical illness, accident or hospital stay with benefits such as:

- Hospital Admission Benefit
- Hospital Confinement Benefit
- Initial Injury Treatment
- Pays a lump sum benefit for a covered critical illness such as a heart attack or stroke

Benefits Summary

(Benefit provisions vary by situs state)

Hospital Indemnity Benefits

Hospital Confinement

Payable in the amount shown for each day that an insured is confined to a hospital as an inpatient as a result of a covered accidental injury of covered sickness. This benefit is payable for only one hospital confinement at a time even if caused by more than one covered accidental injury, more than one covered sickness or a covered accidental injury and a covered sickness. This benefit is not payable for confinement to an observation unit or a rehabilitation facility. This benefit is not payable for emergency room treatment or outpatient surgery or outpatient treatment

Accident Benefits

Initial Treatment

Payable for initial treatment received under the care of a doctor for a covered accidental injury. This benefit is not payable for treatment via telemedicine services.

Ambulance

Payable when a insured received transportation by a professional ambulance service due to a covered accident.

Major Diagnostic Testing

Payable when one of the following exams is performed in a hospital, doctor's office, medical diagnostic imaging center, or an ambulatory surgical center due to a covered accident injury:

- Computerized Tomography (CT scan)
- Magnetic Resonance Imaging (MRI)
- Computerized Axial Tomography (CAT)
- Electroencephalography (EEG)

Lacerations

Payable when an insured receives a laceration in a covered accident and is repaired with stitches by a doctor

Fractures

Payable when an insured fractures a bone and is treated by a doctor. For multiple fractures (more than one bone fractured in one accident), we will pay a maximum of 200% of the benefit amount for the bone fractured that has the highest dollar amount. For a chip fracture (a piece of bone that is completely broken off near a joint), we will pay 25% of the amount for the affected bone. This benefit is not payable for stress fractures.

Appliances

Payable when a doctor advises the insured to use a listed medical appliance as an aid in personal locomotion.

Critical Illness Benefits

Where applicable, covered conditions must be caused by underlying diseases as defined in the plan

Initial Diagnosis+

We will pay up to 100% of the face amount upon diagnosis of a covered critical illness.

Additional Diagnosis+

Once benefits have been paid for a covered critical illness, we will pay benefits for each different critical illness when the date of diagnosis is separated by at least 6 consecutive months.

Reoccurrence+

Once benefits have been paid for a covered critical illness, we will pay benefits for that same critical illness when the date of diagnosis is separated by at least 6 consecutive months.

+ If the claim is for a cancer diagnosis, the insured must be treatment-free from cancer for at least 12 months and must be in complete remission before the date of a subsequent cancer diagnosis.

Benefits will be based on the face amount in effect on the critical illness date of diagnosis.
